Covenant Academy has implemented **Continuous Enrollment** where only the annual Book and Resource Fee of \$450 per student will be assessed annually in the month of January (*\*\*the first of 10 monthly tuition payments will be made in August and end in June*). This is a one-time enrollment process where your student stays enrolled until they either graduate or you opt-out of enrollment for the next school year.

**As your child is initially enrolled, you will be asked to agree to the terms of the contract which states the following:** *"I hereby opt into continuous enrollment. This means that my student will continue coming back to Covenant every year unless I tell the school otherwise. I understand that I have until January 31st each subsequent school year to notify the school office of any changes in my plans of enrollment for my child."*

**All tuition payments and incidental family charges (billed separately) are processed through the third party organization, FACTS.** During Online Enrollment, each family will select a FACTS Payment Plan relative to methods and timing of payments. FACTS assesses a \$30 fee for any returned payments.

**\*Returning families who did NOT opt-in to Continuous Enrollment the prior year must complete the online enrollment AND pay the enrollment fee by January 31 to have class placement priority.** Classroom placement is not reserved until the enrollment fee has been paid as stated above. Covenant Academy reserves the right to not re-enroll any student if his or her account with Covenant Academy is delinquent.

**OPEN ENROLLMENT FOR \*NEW\* STUDENTS BEGINS FEBRUARY 1.**
