COVENANT ACADEMY

A CLASSICAL CHRISTIAN SCHOOL

PURPOSE AND PHILOSOPHY

HISTORY

Covenant Academy was established by a group of parents committed to providing a biblically based education to students utilizing proven classical instruction. Although both the vision for the school and the preparation of these parents has been many years in the making, Covenant Academy was officially incorporated in March 2003 with classes for Kindergarten through eighth grade. On September 2, 2003, Covenant Academy began its first school year with 33 families and 18 teachers. By 2008, we had outgrown the space we were utilizing at our church home. In that year, Covenant Academy merged with Cy-Fair Christian Academy (CFCA). In June 2008, Covenant Academy relocated to CFCA's nine-acre tract of land and beautiful 24,000 square foot facility located on Telge Road. In August 2012, Covenant Academy launched its high school. We have continued to grow and in 2015, 12th grade was added.

Our school mascot is the Patriots, and our school colors are red, white, and navy blue. Our school has four houses named after founding fathers who are worthy of imitation: Washington, Madison, Hamilton, and Henry. Each house has a corresponding house color and crest: Maroon, Teal, Purple and Yellow.

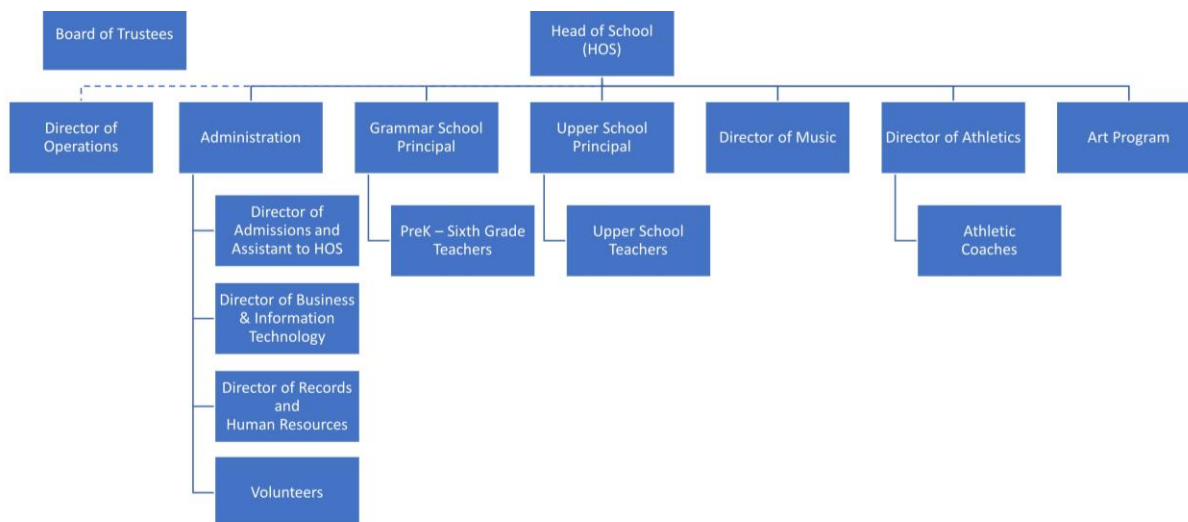

ORGANIZATION

Covenant Academy is a 501(c) (3) non-profit corporation and is organized for the purpose of the "establishment, operation and maintenance of Bible-based, Christian private schools." The Covenant Academy bylaws charge our Board of Trustees with the responsibility and duty to administer the affairs of the corporation. Covenant Academy is governed primarily by the Word of God, as understood, and applied by the school's Board of Trustees and administration. The Board operates under the school's adopted bylaws, vision, and mission statements. The Board is responsible for setting policies for implementation in the school. For more details on the Board's operation, the Covenant Academy bylaws may be obtained from the school office. The Head of School is the academic and administrative leader of the school and is charged with ensuring that the Covenant Academy's Mission and Vision are upheld and that policies are implemented. The Head of School is responsible for the training and supervision of teachers to ensure the orderly implementation of Covenant Academy policies. The Accountant and the Director of Business Information and Technology are responsible for the orderly operation of the school and report directly to the Head of School. The Director of School Operations is responsible for supplies and facilities and reports directly to the Board of Trustees.

ORGANIZATION CHART OF COVENANT ACADEMY

The Board of Trustees determines the mission, vision, strategic policy, and budget for the school. They entrust these to the Head of School who implements, manages, and supports these in partnership with the faculty and staff, except for the Director of School Operations who is under the authority of the Board of Trustees. The faculty and staff work in partnership with parents and students to fulfill the mission and vision of the school.

The organization chart illustrates the delegated authority, reporting structure and chain of accountability for both job performance and communication of Covenant Academy. While the structure of the school provides the necessary stability, it is our relationships that define who we are as a community.

Whom shall I call?

Questions about volunteering, helping, getting involved? Looking for details about events or procedures, phone number, or calendar questions?

Contact the office at 281-373-2233 or check the FACTS Family Portal.
(See APPENDIX VIII – FACTS FAMILY PORTAL for details).

Questions about a FACTS Family Portal issue, computer/technical need, billing or account balance, website concern, communications/email update?

Call/email [Denise Kutcher](#), Accountant.

Questions about policies, programs, procedures, or school philosophy?

Call/email [Leslie Collins](#), the Head of School.

Event logistics, scheduling, room availability, facility issue or supply need?

Call/email [Dave Collins](#), Director of School Operations.

Questions about your child's records, immunizations, health screenings, or transcripts/report cards?

Call/email [Shari Archer](#), Director of Records and Human Resources

Questions about new student admissions, Open Houses, testing information, or need to schedule time to meet with the Head of School?

Call/email [Melissa den Dulk](#), Assistant to the Head of School and Director of Admissions.

Questions about your child's progress, missed assignments due to absence, or curriculum?

Call/email your child's teacher, [Lynn White](#) for Grammar School, and/or [Tiffni Blake](#) for Upper School.

MISSION STATEMENT

Covenant Academy exists to serve Christ and His Kingdom, by sharing the gospel and partnering with parents to train students by way of Scripture and the classical liberal arts.

VISION STATEMENT

If we are effective in our partnership, our graduates will possess:

1. **Virtue:** Students will demonstrate high moral standards. They will recognize obedience as an expression of love for God and His word. They will honor God and those made in His image, and rightly order their affections. Students will study the Bible as our moral compass, and the representations of virtue in classical literature.
2. **Wisdom:** Students will think deeply, reason soundly, recognize the consequences of ideas, and make wise choices. Students will learn to make all thoughts captive to Christ and love what God loves.
3. **Eloquence:** Students will demonstrate fluent and persuasive speech. They will listen discerningly and speak winsomely in articulate defense of truth, goodness, and beauty.
4. **Balance:** Students will demonstrate well rounded foundations. They will gain mastery of the liberal arts. They will learn grammar (the rules and structure of each subject), logic (the ability to understand the implications and build on the foundations of those rules), and rhetoric (the ability to present and defend their conclusions). Students will appreciate the connections between literature, arts, athletics, and the sciences, enabling them to pursue lifelong learning in areas of special interest and the ability to be conversant and competent in other fields.
5. **Literacy:** Students will demonstrate knowledge in a range of fields. They will cultivate a love of learning, and a love of the true, good, and beautiful through studying a broad selection of great works of theology, literature, history, science, mathematics, music, and the visual arts.
6. **Servant Leadership:** Students will demonstrate the ability to humbly lead others. They will seek to imitate Christ who came to serve, not to be served, as they practice leadership qualities honed through character training, mentoring, service, and daily discipleship.

COVENANT ACADEMY GOALS

A Christ-Centered and Classical Education

Christ-Centered

In all its levels, programs, and teaching, Covenant Academy seeks to:

- a. Teach all subjects as parts of an integrated whole with the Scriptures at the center and pursue academic excellence that is defined and measurable to equip students to stand firm in their belief of a Christian worldview when confronted with other worldviews;
- b. Provide a clear model of biblical Christian life through our staff and board (Matt. 22:37-40);
- c. Encourage each student to begin and develop his relationship with God the Father through Jesus Christ (Matt. 28:18-20, Matt. 19:13-15).

Classical

In all its levels, programs, and teaching, Covenant Academy seeks to:

- a. Emphasize grammar, logic, and rhetoric in all subjects (see definitions below).
- b. Encourage every student to develop a love for learning and seek the Lord's glory in his schoolwork and academic achievements.
- c. Provide an orderly atmosphere where communication honors biblical standards and is conducive to the attainment of the above goals.

Definitions

- **Grammar:** the meaning of words used in each subject of the curriculum.
- **Logic:** the ordered relationship of particulars of each subject and application of a logical and biblical worldview to each subject.
- **Rhetoric:** the grammar and logic of each subject clearly expressed.

STATEMENT OF FAITH

The following is the foundation of beliefs on which Covenant Academy is based. These beliefs will be unapologetically taught in various ways through all grade levels. The substance of these statements will be considered *primary doctrine* in Covenant Academy. Other Christian doctrines (referred to as *secondary doctrine*) will not be presented as primary doctrine. When these types of doctrine or issues arise, they will be referred to the family and local churches for final authority (see Secondary Doctrine Policy).

Primary Doctrine

- We believe the Bible alone to be the word of God, the ultimate and infallible authority for faith and practice.
- We believe that there is one God, eternally existent in three Persons: Father, Son, and Holy Spirit.
- God is omnipotent; that is, He can do all things. He is omnipresent; that is, He is present to all creation and has under His immediate authority all things which are in Heaven, in the earth, and under the earth. He is omniscient; that is, He knows all things. He readily exercises His power which is present everywhere, and to Him there is nothing that is impossible or unknown, that is, He knows what has been from eternity, what now takes place everywhere, and what will be to all eternity.
- We believe that the Lord Jesus Christ, the eternal Son of God, became man without ceasing to be God. He was conceived of the Holy Spirit and born of the Virgin Mary. We believe in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
- We believe that the Holy Spirit convicts people of sin, righteousness, and judgment. He regenerates those who receive Christ as their Savior and indwells them permanently, sealing them unto the day of redemption. He also gives to them spiritual gifts and empowers those yielded to Him.

- We believe that God is the creator of all that exists. We believe that He created humanity in his image. We believe He created us male and female.
- We believe that all have sinned and fallen short of the glory of God. We believe that salvation is by grace through faith alone. We believe in the eternal assurance of salvation.
- We believe that our faith in Jesus Christ will result in sanctification, the ultimate setting apart of an individual unto God.
- We believe in the resurrection of both the saved and the lost; they that are saved to the resurrection of life and they that are lost to the resurrection of damnation and eternal separation from the presence of the Lord.
- We believe the union of man and woman in marriage is a reflection of Christ's relationship with the church, which is the Body and Bride of Christ.
- We believe that the Church, the Body and Bride of Christ, is made up of all born-again persons.

Secondary Doctrine Policy

Secondary doctrines are any doctrinal issues which are not addressed in the Covenant Academy Statement of Faith. Secondary doctrines are generally not salvific in nature, not related to salvation; therefore, we are encouraged in scripture to maintain our disagreements in Christian charity and deference to one another. When secondary doctrinal issues arise, they will be referred to the family and local churches for final authority. Classroom discussion of secondary doctrine should be on an informative, non-partisan level. Teachers will be careful not to speak to the students in a manner that would indicate a secondary doctrine is a primary doctrine. Presentation of all sides of a secondary doctrinal issue is encouraged. The teacher will encourage the students to follow up any questions they have with their parents and pastor.

CORE COMPONENTS OF OUR EDUCATIONAL PHILOSOPHY

A. There are three realms of human authority described in scripture: the church, family, and state. The Bible instructs parents (families), not the church or state, to "bring children up in the discipline and instruction of the Lord" (Eph. 6:1-4). The church's commission is to spread the Gospel and disciple believers (Matt. 28:18-20). The state has been directed to enforce God's laws and protect the innocent (Rom. 13). The church is called to train parents, the state to protect them and the family is called to support and uphold each as citizens. Covenant partners with parents and seeks to teach and discipline in a manner consistent with the Bible and a godly home environment. We also work in cooperation with the state (local authorities) and the church (all denominations and congregations).

B. We believe that God's character is revealed not only in His Word but also in every facet of creation (Rom. 1:19-20). Therefore, we teach that all knowledge is interrelated (integrated) and can instruct us about God himself.

C. God wants us to love Him with our minds, as well as with our hearts, souls, and strength (Matt. 22:37). Therefore, we seek to individually challenge children at all levels and teach them how to learn, by using the centuries-old, proven classical means. We believe that as long as a child is under the parents' authority and undergoing formal education, he should be trained biblically (Deut. 6:6-7; Prov. 22:6).

D. We want to help parents who are seeking to teach their children that all they do should be done "heartily, as unto the Lord" (Col. 3:23-24). Therefore, we seek to encourage high quality academic work and maintain high standards of conduct. This necessarily includes the employment of biblical discipline principles.

E. Above all, it is our highest goal to provide a rigorous educational environment where every student will be loved with Christ's love at every stage of his or her development.

Partnership with Parents

"In Loco Parentis" or "in the place of parents"

Because the family is ultimately responsible for each child, the authority that the school holds is a delegated authority. However, once enrolled, the family recognizes the school's authority over its specific ministry and agrees to submit to the school's policies, procedures, and protocol in fulfilling its mission and vision. The school will make every effort to uphold the authority of each family while also upholding its own authority over its own programs.

Classical Methodology

As defined by Dorothy Sayers in "The Lost Tools of Learning:"

"My views about child psychology are, I admit, neither orthodox nor enlightened. Looking back upon myself (since I am the child, I know best and the only child I can pretend to know from inside) I recognize three states of development. These, in a rough-and-ready fashion, I will call the Poll-Parrot, the Pert, and the Poetic--the latter coinciding, approximately, with the onset of puberty. The Poll-Parrot stage is the one in which learning by heart is easy and, on the whole, pleasurable, whereas reasoning is difficult and, on the whole, little relished. At this age, one readily memorizes the shapes and appearances of things; one likes to recite the numberplates of cars; one rejoices in the chanting of rhymes and the rumble and thunder of unintelligible polysyllables; one enjoys the mere accumulation of things. The Pert age, which follows upon this (and, naturally, overlaps it to some extent), is characterized by contradicting, answering back, liking to "catch people out" (especially one's elders), and by the propounding of conundrums. Its nuisance-value is extremely high. It usually sets in about the Fourth Form. The Poetic age is popularly known as the "difficult" age. It is self-centered; it yearns to express itself; it rather specializes in being misunderstood; it is restless and tries to achieve independence; and, with good luck and good guidance, it should show the beginnings of creativeness; a reaching out towards a synthesis of what it already knows,

and a deliberate eagerness to know and do some one thing in preference to all others. Now it seems to me that the layout of the Trivium adapts itself with a singular appropriateness to these three ages: Grammar to the Poll-Parrot, Dialectic to the Pert, and Rhetoric to the Poetic age.”

Excerpt from “The Lost Tools of Learning” by Dorothy Sayers.

This chart is based on D. Sayers’ article and is intended to be a visual summary of the concepts presented.

Developmental Stage	Curriculum	Focus	Methods
Poll-Parrot (PK-6 th Grade)	Grammar	Memorization Development of language Accumulation of vocabulary Rhymes Rumble and thunder, i.e., movement	Chanting Singing Pop-ups Memorization of rules Moving to songs Story telling Coloring Reading Writing to explain Competition for mastery of facts Following examples
Pert 7 th – 9 th Grade	Dialectic	Contradicting Answering Back Finding fault/fallacies Discussing Debating	Reading Writing to reason/discuss Discussion Debate Competition for critical reasoning
Poetic 10 th -12 th Grade	Rhetoric	Expressive Creative Restless Desire to know and to be known and make a difference Desire for synthesis	Reading Debate Discussion Competition for excellence Speeches to persuade Writing to persuade Writing of several theses to synthesize learning

GENERAL INFORMATION*

***Note:** Some normal operating processes and procedures are subject to change due to any force majeure events, including, but not limited to, any earthquake, fire, flooding, act of God, war, governmental action, act of terrorism, epidemic, pandemic, state of emergency, or any other event beyond its control. Covenant Academy will communicate such changes directly to families through email and/or our text messaging system.

Hours of Operation

Covenant Academy normal school hours are from 8:00 a.m. to 3:30 p.m. All students may enter their classrooms at 7:45 a.m. Instruction begins at 8:00 a.m. for all students.

At 3:20 p.m., carline for students in grades PK-2 begins; at 3:30 p.m., carline for students in grades 3-6 starts; At 3:40 p.m., all remaining students are available to be picked up through the carline.

Before and After School Care Program (BASC)

Our Before and After School Care (BASC) Program for currently enrolled students from Pre-K through 6th Grade. Hours of Operation: 7:00-7:45 a.m. and 3:45-6:30 p.m.

1. We will use Room 134, the classroom closest to the office, as the home of our BASC program.
2. Students will be given time to play, rest, snack, work on homework and prepare for a successful school day both before and after school.
3. Water, food and/or snacks are included.
4. Students enrolled in BASC will be mentored by high school students under the supervision of Covenant faculty.

For specific details regarding BASC Plans, refer to the Before and After School Care (BASC) Program attached hereto as APPENDIX X – BEFORE & AFTER SCHOOL CARE.

The BASC program is available on an as needed basis at your convenience for all Grammar students in graded PK-6. If you arrive late to school at the end of a regularly scheduled school day, there is no need to call the school office. In partnership with you, your student will be taken care of as part of the BASC program until you arrive. **

****Note:** There will be a small daily fee of \$5 for each student not picked up by 4:00 p.m., and additional \$10 for each student who stays up until 5:30 p.m. and \$20 for each student who stays past 5:30 p.m. Any student picked up after our posted BASC times will be billed an additional \$5 late pickup fee.

After School Campus Guidelines

Campus closes at 4:00 p.m. unless students are signed up for After School Activities/Clubs.

- Grammar school students in grades PK-6 will be sent to the BASC room if they are not picked up by 3:45 p.m.
- Logic school students in grades 7-8 may not be on campus unsupervised. They may turn in an application for BASC internship should they need to stay on campus past 3:45 p.m. This “helper” internship qualifies for service time for end of school recognition.
- High school students in grades 9-12 who demonstrate that they maintain our Code of Conduct may remain on campus in the courtyard until 5:00 p.m. If parents are on campus, high school students may play in the Pavilion with parent approval.

School Safety

We are a secure facility and all outside doors are locked during the day. There is one main entrance and it is carefully monitored by the office staff. The side, parking lot door is used at drop-off and pick-up times. For safety reasons, students are not permitted to open the front or side doors for anyone. Doors are only propped open when a staff member is on duty during drop-off, recess in the Pavilion, and during pick-up times. No one is to open the door if they do not recognize the person at the door.

Field Trips and Service Projects

The following rules apply to field trips and service projects:

1. A student must have written permission from the parent. This is accomplished in one form for the entire year during the online enrollment process.
2. All school rules are in effect during the field trip or service project.
3. Teachers or administration will specify what clothing to wear.
4. Student attendance at a field trip or service project is mandatory. If a student cannot attend the activity, the student's parent shall obtain an excused absence from the teacher prior to the event.
5. Parents driving on the field trip or service project must have a Driver Application, a copy of their valid Texas Driver's License, current proof of automobile insurance, and a Type 2 driving record obtained through Texas DPS (or, if the record has not yet been received, a print-out from the Texas DPS website showing that the driving record has been requested may be accepted on a temporary basis) on file at the school office.
6. Students will not use electronic devices (unless approved by the teacher in advance).
7. Students may bring prescription medication in the original container with the student's name and dosage on the label. All medication must be turned over to the adult designated by the trip director.
8. Students who are not demonstrating a proper level of self-control and respect may be required to have a parent accompany them on field trips, service projects or other events at the discretion of the Head of School.

School Sponsored Events

Covenant Academy seeks to ensure that all school-sponsored programs meet the same standards for quality and content as are established in its educational programs. The standards for student conduct at school are also required at all events sponsored by Covenant Academy.

School-sponsored events are 1) events which are organized by a Covenant Academy staff member acting in his or her official capacity as a teacher or administrator; or 2) events which are published on the Covenant Academy yearly calendar; or 3) events which receive financial support from Covenant Academy (including fund-raising opportunities provided through Covenant Academy).

- School-sponsored events must be consistent with the goals of Covenant Academy.
- School-sponsored events require the attendance of a staff member or parent who has been asked to do so by Covenant Academy.
- Attendance at school-sponsored activities is generally limited to students who are currently enrolled at Covenant Academy. Exceptions to this limitation may be granted by the administration in the discretion of the Head of School.
- All written communication regarding a school-sponsored event must be submitted to the Covenant Academy administration prior to being sent to the parents.
- Parents must sign a written waiver releasing Covenant Academy from any liability for all school-sponsored events taking place off campus before their student(s) may be allowed to participate in such event. This release shall also authorize medical treatment to be given to the student in case of injury. This is accomplished in one form for the entire year during the online enrollment process.
- Covenant Academy administration must approve all proposed activities, determine the number of chaperones required, and approve a date for school-sponsored events.

Parent Visitation

Parent visitation is always encouraged. Parents are required to sign in upon arrival and sign out upon leaving via electronic check-in for safety purposes.

Visitor Policy

For safety reasons, Covenant Academy is a closed campus. All visitors must report to the school office and sign in. Student visitors are allowed only with at least 24-hour prior permission from the administration.

Release of Students

To ensure their safety and protection, students will be released only to their custodial parent, legal guardian, or individuals previously designated on the student's Enrollment Form through FACTS Family Portal. Should the need arise for a different person to pick up your child, you must update their Transportation Form through FACTS Family Portal. In addition, a valid photo I.D. may be required of that person. The student must be signed out with the date, time, and approved person's signature for school records.

Covenant Academy does not have regular early dismissal policy for students, even if they have a work period during 7th period. High school students who drive must follow check out procedures through the school office with parent permission to leave via note, email, or phone call to the office to leave during school hours. Such students must sign out with the date, time, and their signature for school records.

Emergency Closing

Unless communicated otherwise, Covenant Academy will follow the emergency closing policy of the Cy-Fair Independent School District. If the CFISD Superintendent announces a district-wide closing, Covenant Academy will also be closed unless Covenant Academy specifically communicates otherwise via email, FACTS Family Portal, and/or text via the Parent Alert system. Local school district closings will normally be communicated over the major television and radio stations. Depending upon the nature of emergency closing, Covenant Academy may resume classes independent of CFISD policy.

Car Line

Please follow the carpool procedures carefully to protect the safety of all students and to expedite the school dismissal process. These procedures will be used for student drop off in the morning hours as well as pick up in the afternoon hours.

Morning Drop Off:

- Morning drop off begins at 7:45 a.m. for all grades. Teachers meet for prayer each morning at 7:30 and will be in their classrooms by 7:45 a.m.
- Parents in grades PK-2 should park in the front parking lot and walk their child to class according to the following daily schedule to accommodate parking needs:
 - Monday: Pre-K
 - Tuesday: Kindergarten
 - Wednesday: First Grade
 - Thursday: Second Grade
 - Friday: Pre-K
- Stay in your vehicle when you are in the carline. When walking your child(ren) in, please park in the designated spaces and walk them in.
- Continue to pull forward as the cars in front pull forward.
- As a safety precaution, do not use cell phones at any time during carline.
- Do not go around cars (unless directed).

To ensure safe egress of drivers from double carlines, we direct drivers from the left carline to turn left from the carline and leave through the left exit and drivers from the right carline to turn right from the carline and leave through the right exit.

Afternoon Pick-Up:

- Afternoon pick up arrival times are:
 - 3:20 p.m. parents of grades PK-2 arrive by this time,
 - 3:30 p.m. parent of grades 3-6 arrive no earlier than this time,
 - 3:40 p.m. parents of grades 7 and higher arrive no earlier than this time.

- Parents in grades PK-2 should park in the front parking lot and pick up their child outside of their classroom on their designated days.
- For carline pick up, place the Covenant Academy folder in front window of your vehicle until your student is in the car. The folder should list the names of the students being picked up. Additional folders may be obtained from the office.
- Continue to pull forward as the cars in front pull forward.
- Do not go around cars.
- Students should get in the vehicle as soon as it arrives at the pickup location designated.
- To increase safety and reduce confusion, students may not be released to wander the school grounds at dismissal.
- Do not leave unattended children in the car or in parking lot.

If you are unable to pick up your child(ren) after school, please update FACTS Family Portal and add person(s) as an authorized driver. In an emergency, a phone call may be made to the office, to identify an authorized driver. The driver will be asked to show proof of identification (driver's license or other ID card) prior to picking up student(s).

Emergency Drills

Fire and emergency weather drills are regularly conducted during the school year. Students should be familiar with emergency drill regulations and procedures described by teachers. These include the need to walk without speaking and to move quickly and quietly to the designated area.

Recess

Recess is a vital part of education. Students in grades PK-6 are provided 45 minutes each school day for recess (morning and lunch). Students in grades 7 -12 are encouraged to play with the younger children when they finish their assigned tasks during service time. Recess is supervised by teachers who are also trained in basic first aid. For safety reasons teachers on duty are not permitted to talk or meet with parents during recess.

Lunch Program

Custodial parents must provide their student's daily lunches. To best protect our students with allergies, students are not permitted to trade food. Food refrigeration is not available, and microwaves are available to grades four and up on a limited basis. **Lunch is from 11:45 to 12:15 p.m. on Mondays, Wednesdays, and Fridays and 12:00-12:30 p.m. on Tuesdays and Thursdays.**

Parents are welcome to join their children for lunch but are required to follow the campus visitation procedures. Students are not to leave the school grounds for lunch unless the students' custodial parents or legal guardians have provided the school administration with written permission and the school administration has given its approval. To maintain a secure and safe campus, we do not accept food deliveries for students or teachers via restaurant delivery, DoorDash, GrubHub, etc.

Off-Campus Lunch

Students in grades 11 and 12 who are approved for a student parking spot and given parent permission have the privilege to drive themselves to off-campus lunch from 11:45-12:15 pm. on Mondays, Wednesdays, and Fridays and 12:00-12:30 p.m. on Tuesdays and Thursdays.

Snacks

Students in grades PK-6 are permitted to have snacks at recess and between second and third period or during the morning break for grades 7 and up. Students are not permitted to eat in class. We recommend that students wash their hands before and after eating individual snacks.

Birthdays

We recognize that birthdays are very special days for our children. Parents are welcome to celebrate their child's birthday with a **small**, individualized treat at snack or lunchtime. This is not meant to be a birthday party but merely a small treat to recognize their special day. Balloons and decorations are not appropriate for the classroom. Please contact your child's teacher to discuss specific instructions

and guidelines regarding birthday treats and timing. *Due to the severity of peanut allergies, Covenant Academy does not allow any group snack to contain peanuts or tree nuts.*

Parties and Feasts

Feasting and celebration are natural components of a rich education. Parties will be planned for the following occasions: Thanksgiving, Christmas, and Valentine's Day. Teachers will inform parents about how to help and be a part of the celebration. These parties are designed to provide snacks and activities appropriate to the age and number of students in the class, so parents are asked to refrain from bringing other children to the parties. Parties and feasts are to be held on campus unless approved by the school administration.

THE HOUSE SYSTEM

At Covenant, everyone belongs to someone. Our four houses organize our school community around the ideals that define our school: wisdom and virtue. House systems are a by-product of traditional British boarding schools, where students of varying ages lived together in a physical house, overseen by invested faculty members who would actively disciple and lead their students in school-wide activities and competitions.

British houses were named after the faculty member but ours are named after American founding fathers, Patriots deemed worthy of imitation. In keeping with the ethos of classical education, and with the purpose of maintaining a rich culture of community, all students and faculty are placed into one of four houses: Washington, Madison, Hamilton, and Henry.

These houses (or teams) provide students with abundant leadership options and encourage excellence through friendly competition. Each of our houses has chosen a virtue and a motto that they will actively seek to define them. These virtues, wisdom, courage, perseverance, and love are worthy pursuits for all as we seek to be lifelong learners in community with one another.

...and School Culture

- Students participate in healthy competitions (athletics, fundraising, service to the community, and games). Our annual Patriot Day is a school-wide celebration of House Spirit that provides an opportunity for students of all grades to fellowship together and forge strong relationships.
- Student leadership is cultivated through daily service and mentoring but is most evident in our weekly school-wide chapel. Announcements, awards, and discussions take place in House Huddles so that younger students are given an opportunity to learn from older students. This fosters an expectation that older students will be role models for younger students as they teach them to apply what they are learning in their everyday life. House Huddles provide a new relational dimension in student-teacher relationships as adults "lead from behind" giving older students the opportunity to take on more and more responsibility.
- At various school-wide lunches and events throughout the year, students gather into "squads" made up of one to two upper school students and three or four grammar students. This opportunity to serve younger students and connect with them builds confidence in both upper and lower school students that will last a lifetime. This strengthens relationships across grade levels, building an inter-generational school culture; a school that feels like a family.
- Parents and siblings feel welcome during school-wide events. They know people outside of their grade level and can build strong relationships over many years since families remain in the same house during their tenure at Covenant.

Though our four houses compete, we are also committed to serving God together as a community.

...and Esprit de Corps

- **Definition:** /e, sprē də 'kôr/ *noun*; a feeling of pride, fellowship, and common loyalty shared by the members of a group. Late 18th century: French, literally 'spirit of the body.'
- This is a house competition that lasts all school year and requires nothing out of the ordinary from our students. The recurring Esprit de Corps House Competition will award 100 points each trimester to the house displaying the highest loyalty to Covenant's dress code standards.

- As we seek to invest in each other through our words and our actions we want to support a school culture that reflects a freedom in Christ and requires a decreasing level of oversight. The house that reflects the classical, Christian, and scholarly image of Covenant Academy with the least number of reminders and oversight will win this competition.
- Also included in this contest will be points for the house with the greatest dedication to timeliness. Students will gain house points for adhering to the dress code and showing up to school on time.
- Individual dress code discrepancies and tardies will be noted by teachers and administration throughout the school year and will affect the overall house competition. This is by far the easiest House Competition on record! Reminders will be given by teachers in the classroom, as needed.
- For specific details regarding the standard of dress, refer to the Standardized Uniform Policy attached hereto as **Error! Reference source not found..**

COMMUNICATION POLICY

“All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation: that God was reconciling the world to Himself in Christ, not counting people’s sins against them. And He has committed to us the message of reconciliation.”

2 Corinthians 5:18-19

The relationship between school and home is a delicate one requiring the utmost respect for the authority in the home and the authority of the school. Once enrolled in the school, the family must be willing to submit to the school’s authority in governing the school’s affairs. Yet, the school must also uphold the family’s authority in governing its affairs. Given these two realms of authority and considering the vastness of the responsibility in training and educating our children, disagreements are inevitable. They may be small or great, but they will inevitably occur. We believe that God can be glorified during these disagreements through the peacemaking actions of those involved. Every parent must be willing to seek proper resolution to any conflict. Sometimes this means simply overlooking the action (Prov. 19:11), and sometimes it means speaking the truth in love. Harboring bitterness or keeping records of offenses is neither biblical nor profitable (1 Cor. 13).

We encourage every family to attempt to be at peace with all men and have outlined the proper lines of communication between the school and home according to the biblical principles found in Exodus 18, Proverbs, Matthew 18, James, and other epistles. We believe that scripture teaches that conflicts should be handled discreetly and carefully, while believing and speaking the best about everyone involved. Covenant Academy faculty, staff, Head of School, and Board of Trustees will abide by these same principles in communicating with parents and students. Students and parents seeking to resolve an issue or disputes in any way related to Covenant Academy should utilize Biblical doctrine found in Matthew 18: 15-17 and be considerate of the Organizational Chart as it reflects delegated authority (Ex. 18).

Students

Students will be taught to follow Christ in how they communicate both in and out of school. Students who disrupt the peaceful fellowship of the school community by their communication will be disciplined in a loving, biblical manner.

Student to Teacher

Students are encouraged to communicate concerns, questions, or disagreements with their teacher in a manner that is respectful of authority and honors the teacher’s responsibility in the classroom. If the situation is still considered unresolved after speaking with the teacher, the student and their parents may bring the situation to the Head of School.

Parent to Parent

If an issue should arise regarding the conduct of children outside of school, or if there appears to be a personal conflict between families, the families should each seek to make peace with one another by discussing their concerns in a loving, biblical manner. The school will not become involved in personal conflicts beyond their effects in the classroom. If mediation is necessary, the school would urge families to seek the help of their church.

Parents to Teacher

If an issue should arise regarding individual teacher rules or procedures, the parents should speak to the teacher before discussing the matter with those in authority over the teacher. Using the lesson planner or school e-mail are often the best means of communication with teachers.

Parents to Head of School

If an issue should arise regarding school rules, procedures, curriculum, programs, facilities or finances, the parent should speak to the Head of School before discussing the matter with others.

Parents to Board of Trustees

The Board of Trustees has authority only when officially convened as a Board. Individual Board members have no specific authority over the school or any of its employees. Parents who have sought to reconcile issues with the Head of School and have been unsuccessful may petition to the Board of Trustees by contacting the President to schedule a meeting to hear concerns, but are advised against speaking to specific Board Members, as this is not consistent with the authority vested in them. The Board of Trustees will not hear a dispute involving the Head of School unless attempts to resolve the matter have been tried and found unsuccessful.

By joining the Covenant Academy family, the family agrees to resolve conflict biblically, which includes pursuing a hearing, if necessary, through the Christian Classical School Arbitration Association. This organization exists to help schools resolve conflict biblically without litigation.

If litigation is pursued for any reason, the family will be financially responsible for all associated costs incurred by Covenant Academy. This includes, but is not limited to, the labor costs for preparing subpoenas, any CA attorney fees, and any costs associated with employee absence from work.

Blogs, Forums and Social Networking Sites

Blogs, Forums and Social Networking Sites should be considered public. Because each of us represents an affiliation with Christ in being part of a Christian school, each of us should make every effort to ensure that our talk is God honoring and useful for building up others (Eph. 4:29). Therefore, please avoid making disparaging remarks, postings or comments regarding Covenant Academy, its faculty, its staff, its parents, or students in such public forums.

Media Contact

No person may have any contact with any member of the media in which such person represents, or appears to represent, Covenant Academy unless such person first obtains the express, written permission of the Head of School or the Board of Trustees giving specific approval for that contact.

Sexual Harassment

In cases involving complaints of potential sexual harassment, the Head of School should be contacted immediately. Parents, students, and staff members are encouraged to report harassment that they experience or witness. Any school parent, student, or staff member who receives a complaint of harassment should report it immediately to the Head of School. If the complaint involves the Head of School, the report should be made directly to the President of the Board of Trustees.

Printed Material

The Head of School must approve all copying and distribution of printed material (flyers, brochures, posters, etc.) before material is displayed or distributed on campus. Advance approval is not intended to restrict the distribution of material concerning school-sponsored and approved activities, but to maintain accuracy and consistency of information.

In General

Because communication is vital to our success as a school and as a community, Covenant Academy will make every effort to communicate regularly and effectively. Though many forms of communication are available at our fingertips, face-to-face interaction is by far the most effective way to communicate. We welcome our families to take advantage of the opportunities to utilize our school campus for face-to-face communication.

ADMISSIONS POLICY

Non-discrimination Statement and Policy

Covenant Academy admits students of any race, color, national and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school administered programs.

COVENANT ACADEMY reserves the right to request parents or guardians to withdraw any student who does not adjust academically and/or behaviorally to our school environment.

Admissions Process

The admissions process is designed to assist Covenant Academy and applicant families in determining if Covenant Academy is the right placement for each student applicant. It is Covenant's desire to help families in choosing the right school for their student by making our process as informative and helpful as possible. Parents are encouraged to take every opportunity available to learn more about our school philosophy, curriculum, and programs.

Applications are accepted for new students at any time. We review applications in the order they are received and placement in an open spot is based on the date of your completed Online Enrollment and payment of your enrollment fees. It is beneficial to make scheduling testing appointments and family interview dates a priority for your class placement.

All admissions decisions are communicated via email once the Family Interview is complete. If an application is received and accepted for a class that is currently full, the student will be placed on our wait pool. *Classroom placement is not reserved until the enrollment/registration fee has been paid through the Online Enrollment process.*

Students entering Pre-Kindergarten must be four years old by September 1; Students entering Kindergarten must be five years old by September 1; Students entering 1st grade must be six years old by September 1 of the coming school year. To begin the admissions process, please complete and submit the following to the School Office at Covenant Academy:

- Application for Admission (submitted online through our website)
- **Non-refundable** application fee (paid at the time of online application submission)
- Current report card/transcript/achievement test scores
- Teacher Recommendation (form available online once the application has been submitted)
- Birth Certificate
- Immunization Record
- Student Essay: Applicants in grades five (5) and higher complete a one or two paragraph handwritten essay titled, "Why I want to Attend Covenant Academy."

After all required documentation and fees have been received by the Admissions Committee, the student will be scheduled for an academic evaluation. After the evaluation is reviewed, an invitation will be extended for the Parent Interview. Both parents (and upper school student applicants, if applicable) should plan to attend and review the interview materials prior to attending the interview.

The Admissions Committee will determine the proper grade level placement for each student using the assessments and interviews. Many factors are considered and weighed when making this determination with the goal being the best possible fit for each child. While parental input is important, the Admissions Committee is ultimately responsible for placement within the school. Input regarding the needs of children is welcome. For communication purposes, it is best to provide this in writing.

The school may deny acceptance at any point during the admissions process when it becomes apparent that Covenant Academy will not be a suitable environment for a child or family. The Application Fee is non-refundable.

Admission and Enrollment Requirements for the Parents

1. Though not required to be Christians, the parents of students in Covenant Academy should have a clear understanding of the biblical philosophy and purpose of Covenant Academy. This understanding includes a complete willingness to have their child exposed to the clear teaching of the school's Statement of Faith in various and frequent ways within the school's program.
2. The parents should be willing to cooperate with all the written policies of Covenant Academy. This is most important in the area of discipline, schoolwork standards and conflict resolution, as well as active communication with the respective teacher(s) and administration.
3. In extreme cases the Board of Trustees may dissolve a partnership with the parents of a student(s), even if that student is in good academic and behavioral standing with the school.

Admission and Enrollment Requirements for the Student

1. The student should understand that his parents have delegated their authority to Covenant Academy while they are at school or any school function. Therefore, he is subject to the instruction and discipline of the teachers, staff, and Head of School in their prescribed roles at Covenant Academy.
2. Students entering Kindergarten should have letter recognition and some sound association. They are expected to recognize numbers 1-10, be able to count to 20, and know their birth date, address, and telephone number.
3. Every student must successfully meet the entrance requirements for reading, math, spelling, grammar, and writing. However, if Covenant admits a student who has deficiencies in these areas, remedial work will be required.
4. If the new student has taken any standardized test, the student should have earned national scores of at least 50% or higher in reading, math, and language (as appropriate to age level).
5. It should be noted that the academic program at Covenant Academy tends to be a challenge with varying degrees of difficulty for students coming into the program. Should a student have had academic difficulties in his previous program, the likelihood of compounding that difficulty would be great were he to be placed in the next successive grade at Covenant Academy.
6. Parents of children with known special needs or disabilities applying to Covenant should make an appointment with the school to discuss their educational program so that adequate support can be provided if needed and available (this may require an additional fee billable to the parents).
7. All new students entering grades 6 and higher will be required to be tutored, complete a Thinkific course, or, if available, attend Covenant Academy's summer Latin camp.
8. Students applying for grades 8+ will be required to meet some Logic and Latin standards. Tutoring information will be made available via email.

Tuition & Fee Schedule

Please refer to the current Fee Schedule attached hereto as APPENDIX I – 2022-2023 TUITION & FEE SCHEDULE for further details regarding the application fee, registration fee, and annual tuition.

Re-enrollment Process

Families may opt-in for rolling enrollment during the online enrollment process. Should a family wish to opt-out, they must notify the school office by December 15. Re-enrollment for families who do NOT opt-in must manually re-enroll their students in January of each year through FACTS Family Portal. Priority consideration will be given to those current family applications which are received by January 31.

Manually re-enrolling families will pay a non-refundable registration fee in accordance with the Fee Schedule published for the forthcoming school year. Re-enrollment of current students is finalized when:

- The student successfully completes the current year academically and in good behavioral standing;
- All fees due and owing are paid in full (enrollment fee, registration fee, tuition, etc.); and
- The payment of the **non-refundable** registration fee is complete in FACTS Family Portal.

Classroom placement is not reserved until the online registration fee has been paid. Covenant Academy reserves the right to not re-enroll any student if his or her account with Covenant Academy is delinquent.

FINANCIAL POLICY

Tuition Payments

Prompt payment of tuition and fees is essential to the operation of the school and ensures our continued fiscal stability. All tuition is due annually, bi-annually, or monthly based on your selected tuition plan and accounts must be kept current. Accounts with outstanding balances and/or insufficient funds after the fifth day of the month will be assessed a \$29.00 late fee. Parents or legal guardians may be asked to withdraw student(s) if the outstanding balance becomes 60 days late. Covenant Academy reserves the right to withhold report cards and/or the privilege of attending class for non-payment of tuition and other required fees. Records and transcripts will not be released to parents until accounts are paid in full.

Incidental Fees

Tuition will not include all costs that the family will incur. Costs not included in tuition may include but are not limited to fees for feasts, lunches, overnight field trips, fees for academic competitions, spirit wear, extracurricular activities/athletics, athletic competitions, or special classes. These fees are usually due within 45 days of the event.

Fee Schedule

A fee schedule is developed and approved annually by the Covenant Academy Board of Trustees. The schedule includes current fee amounts for annual tuition, as well as the registration fees. (Refer to the Fee Schedule attached hereto as APPENDIX I – 2022-2023 TUITION & FEE SCHEDULE.)

Financial Contract for Enrollment

The Financial Contract for Enrollment details the financial obligations that are incurred when a student is enrolled at Covenant Academy. (Refer to the Financial Contract for Enrollment attached hereto as APPENDIX II – FINANCIAL CONTRACT.) The terms of this contract may only be altered, amended, or waived by the express, written consent of the Covenant Academy Board of Trustees. Tuition, fees and any payment penalties or late fees incurred will be charged in accordance with the policies and provisions of the contract and of the current Fee Schedule which, by reference, is incorporated as part of the contract.

Tuition Assistance/Financial Aid

Covenant Academy desires that a lack of finances would not be a barrier to any family seeking quality Christian education. Covenant Academy contracts with [FACTS Grant & Aid Assessment](#) to conduct the financial need analysis to determine if a family is financially qualified to receive tuition assistance each year. For FACTS Assistance application to be considered, existing students must be re-enrolled for the upcoming school year and new students must submit an Online Application to the school prior to applying for tuition assistance.

Late Enrollment

Tuition for students enrolling after the start of the school year will be charged a pro-rated amount of the published annual tuition amount. Enrollments after to the 15th of the current month will pay 50% of that month's tuition balance.

HEALTH POLICY

General Policy

Covenant Academy partners with parents to provide affordable education for families and are not equipped with nursing facilities or personnel. Our staff is qualified to administer basic first aid, over-the-counter medications with prior parent approval, and assist students with inhalers for asthma. We will administer an epinephrine (EpiPen®) auto-injector to any student and call 911 in emergency health situations.

It is our assumption that your child has been cleared by a medical doctor to attend school. If your child needs additional health support, we can create an individualized health support plan.

Sick Policy

If a student shows any signs of illness (fever, sore throat, upset stomach, diarrhea rash, watery eyes, etc.), the parent should keep the student at home. This is for protection of the student as well as the protection of the other students at Covenant Academy. **Students must be free of symptoms and free of fever without taking fever control medication for twenty-four hours before returning to school.** Covenant Academy recommends that students with elevated temperatures of 98.7-99.9 stay home and rest. **Students will be sent home with a temperature of 100 degrees or higher.**

A student who has been absent because of a contagious disease must be confirmed non-contagious by a doctor before returning to school. If a student becomes ill or injured at school, the parent will be notified, and a first aid procedure will be employed. For the health and safety of all students, a student obviously ill or with an elevated temperature will not be allowed to remain at school.

Immunization Requirements

The Department of Health of the State of Texas sets certain immunization requirements for all children in the State of Texas. As a result, a student's immunization records must be validated by a physician or public health clinic and must be on file with Covenant Academy Administration. However, Covenant Academy does allow for medical exemptions only for newly enrolled students.

(Refer to the Immunization Requirements attached hereto as APPENDIX III – IMMUNIZATION REQUIREMENTS for specific requirements by grade level as published by the [Texas Department of Health Services website here.](#))

Medications

No medication will be provided to a student without the express, written consent of the student's parent or legal guardian as noted in FACTS Family Portal. If a student is to receive medication while on campus, the parent or guardian must hand deliver the medication to the administrative office personnel. **Do not send medication in the student's backpack or other belongings (with the exception of EpiPens® and asthma inhalers).** All prescribed or over the counter medication must be in FACTS Family Portal, giving parental permission for Covenant Academy personnel to administer the medication. Any changes in dosage or type of medication must be made in FACTS Family Portal by the parent or guardian and given to the school administration. Verbal authorization by the student will not be accepted.

Covenant Academy will not issue controlled substances at any time; however, parents are permitted to do so at their own discretion and with the appropriate medical authority. We are also not able to administer respiratory medications, such as nebulizer treatments; however, we can support inhalers for students with asthma.

All medications must:

- be in the original container;

- be labeled with the child's name;
- include directions to administer the medication;
- be for a period of 5 days or less; and
- if prescribed, be labeled with the date and the name of the physician prescribing the medication.

A request for an individualized Health Care Plan must be made with the Head of School if a child has ongoing health needs (more than 5 consecutive days) that need to be addressed.

The requirements contained in the medication policy apply not only to all physician prescribed drugs, but also to non-prescription and over the counter medications such as aspirin or Tylenol. (Please refer to the Medicine Authorization Form from FACTS Family Portal attached hereto as APPENDIX V – MEDICINE AUTHORIZATION.)

No Covenant Academy employee shall be held responsible if a student does not receive his scheduled dose of medicine or if the student takes an overdose of medicine. Every reasonable attempt to reach the parent or legal guardian shall be made if the medication cannot be given for some reason. If the parent or guardian cannot be reached, the school personnel shall not be held responsible.

In the case of an emergency, a student's parent or legal guardian can give verbal permission to allow Covenant Academy staff to give an over-the-counter medication to the student.

Food Allergies

Covenant Academy will provide support and assistance for those with food allergies. We cannot remove all allergens from the environment, but we can implement school-wide practices that benefit everyone. To ensure student safety, please notify your child's teacher of any food allergies in writing at the beginning of the school year and include this information in your child's medical information in FACTS Family Portal. We recommend that students wash their hands after eating individual snacks.

Due to the severity of peanut allergies, Covenant Academy does not allow any group snack to contain peanuts or tree nuts.

Medical Screenings

Students are required to be screened by Texas Department of Health certified screeners for vision, hearing, spine and/or type 2 diabetes. These requirements vary by grade level and parents of students who require screening will be notified by the School Registrar each school year.

In addition, vision and hearing screenings may be requested for any student, at any grade level, who may be suspected of vision or hearing loss by the classroom teacher or the parent.

Communicable Disease

To protect the health of all students, it may be necessary to exclude from school students that are suffering from a communicable disease, infection, or condition. The following policy stands in compliance with the Texas Civil Statutes, Article 4477. More common communicable diseases, infections or conditions include COVID-19, chicken pox, pink eye, fifth's disease, ringworm, impetigo, streptococcal infections, and pediculosis (lice). Students who are excluded from school because of communicable disease may be re-admitted:

- a. When the school has received a letter from the attending physician, stating that the student is no longer contagious (or in the case of lice, the student has been cleared through the office or has obtained an admittance letter from an approved specialist); and
- b. When the student is free of symptoms and infections.

Refer to the Communicable Disease Chart attached hereto as APPENDIX IV – COMMUNICABLE DISEASE CHART for a guideline to some of the more common maladies.

DRESS CODE POLICY

Philosophy

In a culture where personal expression is exalted, beauty is held in question, and the good of our neighbor is subordinated to the desires of the individual, it is the desire of Covenant Academy to glorify God in both the character and culture of the school. As ambassadors for Christ to each other and to a watching world, the following principles should guide our choice of attire:

1. Our actions and our attire should point to the Lord that we serve.
2. Our actions and our attire should portray a heart of both modesty and humility.
3. Our actions and our attire should not seek to exalt the outward beauty of the individual student but rather seek to invest in and care for that portion of the Body of Christ that finds itself at Covenant Academy.
4. Our actions and our attire should support the efforts of orderly operation of the school.

As we seek to invest in each other, our actions and our attire should support a school culture that reflects a freedom in Christ and requires a decreasing level of oversight in contrast to a culture of the individual that requires increased regulation and oversight. Considering the above, we ask that the parents and students support a manner of dress that reflects the classical, Christian, and scholarly image of Covenant Academy. As such Covenant Academy students should appear neat, clean, and modest during the school day, seeking not to distract others or solicit oversight by their appearance.

For specific details regarding the standard of dress, refer to the Standardized Uniform Policy attached hereto as **Error! Reference source not found.**

Physical Education (P.E.) Dress Code

Students will wear a regular uniform to school every day. Students in grades 5-6 are not required to wear a P.E. uniform; however, if they choose to wear a P.E. uniform, they are given an opportunity to change into their uniform before their P.E. class. Students in grades 7-10 are required to change for their class or sport into the required clothing or uniform communicated by their instructor.

Note: Students in grades PK-6 must wear tennis shoes with uniforms on regularly scheduled P.E. days. The uniform should be one that allows for movement for various activities.

Student Council Dress Code

Unless otherwise informed, Student Council meetings are held every Tuesday. Participating students must wear their Chapel uniform on meeting days.

Chapel Dress Code

Unless otherwise informed, Chapel services are held every Friday. PK to 3rd grade girls must wear plaid jumpers with rounded collar blouses and 4th through 8th must wear a navy polo and plaid skirt. Remaining PK to 8th grade boys must wear khaki pants and a navy polo. Any sweater, sweatshirt or jacket must be navy and comply with the uniform policy. Chapel items should be purchased through one of the approved vendors (plaid is only available at Flynn O'Hara).Field Trip/Service Project Dress Code

Unless otherwise instructed, students in Grammar School shall wear a navy polo shirt (logo not required) with standard uniform bottoms, no t-shirt, or jeans.

Spirit Day Dress Code

On designated days, such as pep rallies and spirit nights, students may wear a Covenant spirit shirt or house shirt with blue jean shorts, uniform khaki shorts/pants or nice blue jeans (no tears or holes) to school.

Free Dress Code

Free dress days usually occur on individual picture day and on Student Council hosted days. Normal expectations of modesty apply. Please do NOT wear athletic shorts, short shorts, mini dresses (that end above the student's fingertips) and shirts or dresses with spaghetti straps. Students who do not comply will be sent home or be brought compliant attire. The inability to comply will also affect Esprit de Corps house points.

New Students

A grace period of ten (10) school days will be granted to newly enrolled families. Grace is determined at the discretion of the school administration.

Enforcement

Enforcement of the dress code requirements will be at the discretionary authority of teachers and the school administration. If necessary, parents may be asked to bring a change of clothing before a student will be admitted back to class.

COMPUTER/INTERNET USAGE POLICY

Computer network and internet access is available to the students and faculty of Covenant Academy. We are very pleased to bring this access to Covenant Academy and believe the internet offers vast, diverse, and unique resources to both students and teachers. Our goal in providing this service to our students and faculty is to promote educational excellence in school by facilitating resource sharing, innovation, and communication.

The internet is an electronic highway connecting thousands of computers and millions of individual subscribers worldwide. Students and faculty may have access to:

- electronic mail (email) communication with people all over the world;
- the ability to browse the World-Wide Web;
- public domain software, shareware, and graphics of all types;
- discussion groups on a variety of topics ranging from foreign culture to the environment to music to politics; and
- many University Library Catalogs and the Library of Congress.

With access to computers and people all over the world also comes the availability of material that may not be of educational value in the context of the school setting. Covenant Academy has taken precautions to restrict access to controversial materials. These precautions include the installation of computer hardware and software designed to filter inappropriate content and to protect user data and equipment from malicious viruses, spyware, and hackers. However, on a global network it is impossible to control all materials and an industrious user may discover controversial information.

We firmly believe that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with the educational goals of Covenant Academy. It is the user that controls the search criteria and therefore the material accessed. It is imperative to teach our students about making Christian choices when considering the type of material they access. It is our belief that by training our young people how to deal with objectionable material now, they will be better suited to make the same type of value judgments as adults.

The terms and conditions for computer network and internet use via laptops and/or cell phones are provided in APPENDIX VI – COMPUTER/INTERNET USAGE AGREEMENT attached hereto. In general, this requires efficient, ethical, and legal utilization of the network resources. If a Covenant Academy network user violates any of these provisions, his or her account will be terminated, and future access could possibly be denied.

All persons applying for user privileges on the Covenant Academy computer network must have:

- Carefully read the Computer Network and Internet Acceptable Use Policy and the Terms and Conditions of Use attached hereto as APPENDIX VI – COMPUTER/INTERNET USAGE AGREEMENT, and understand their significance,

AND

- Submitted an electronically signed Computer Network and Internet Acceptable Use Agreement via Covenant Academy's Online Enrollment process.

This page has intentionally been left blank for double-sided printing.

ACADEMIC PROGRAM

CURRICULUM

The Head of School and Curriculum Committee develops the school curriculum objectives and scope and sequence. Covenant Academy is committed to the continuous review and improvement of our curriculum, including core subjects, elective subjects, and extracurricular activities. We will also endeavor to improve the quality and variety of our educational resources such as textbooks, instructional tools, library, and learning centers.

GRADING SCALES

All academic grading in Covenant Academy uses a criterion-referenced base for evaluation. The student's work is evaluated against an objective standard in each class. Teachers are required to notify parents if, at any time, a student is in danger of receiving a failing grade for the trimester. The following percentages and grades are used school-wide to report academic progress and/or overall classroom conduct in each trimester grading period.

Upper School

Grade	Percent	4.0 Scale
A+	97-100	4.0
A	93-96	4.0
A-	90-92	3.7
B+	87-89	3.3
B	83-86	3.0
B-	80-82	2.7
C+	77-79	2.3
C	73-76	2.0
C-	70-72	1.7
F	Below 70	0.0
I	Incomplete	

Grade Point Average (GPA) is determined using a 4.0 unweighted scale. Due to selective admissions and small class sizes, Covenant does not rank its students except for valedictorian and salutatorian for scholarship and Texas public school applications. An additional 0.3 GPA point is awarded to dual credit coursework completed in one college semester.

Grammar School: Pre-K through Third

The grammar school years are focused on laying a solid foundation of skills and habits that build strong students. These skills include things like reading, adding, subtracting, measuring, listening, memorizing, taking notes, and a thousand other things that are all part of learning. These skills and habits are trained while learning about God's word, the world he created and how it works, and how to use the gift of words well. When students master the skills and habits of one grade, they are prepared for the challenges of the next. Because skills mastery and habit formation are the objectives, Pre-K through sixth grade students are evaluated as to whether they have achieved mastery sufficient to prepare them for the next level. This information will be communicated as follows:

93-100 Excellence
 85-92 Mastery
 70-84 Developing
 Below 70 Below Expectations

Incomplete Grades

A teacher assigns an “T” (incomplete) when a student has an excused absence and only a small amount of work remains to be made up (which can be completed in two weeks or less after the end of the grading period). An “T” is given as a temporary grade only. In most cases, the student will receive the same number of days as the number of days absent to make up the incomplete. An “T” is changed to a failing grade if the student’s work is not made up within two weeks unless an exemption is given by the Head of School or Principal.

CHARACTER TRAINING

We are seeking to train students to be disciples of Christ. We will be intentional about redeeming every opportunity to pursue our students’ hearts and train them to walk in the light. Our teachers evaluate our students’ growth in godliness on each trimester report card. This is intended to provide feedback for the student so that they may see their own hearts through the eyes of others.

Readiness for Learning

Classical Christian education recognizes that God designed children as whole beings- integrating body, soul, and spirit. Covenant honors God’s design by teaching the whole child, not just the mind, training motor skills, cognitive skills, and habits of the heart and mind in the years when they are developmentally appropriate.

From grades PreK/Kindergarten through 2, there are twelve skills of Readiness for Learning that are introduced and mastered. These skills are to:

1. Greet teacher at start of class and show preparedness for learning.
2. Follow one-two step instructions.
3. Work independently without distracting others.
4. Engage during class with on-topic answers.
5. Listen to others by giving eye-contact and not interrupting them.
6. Connect new learning to previous and ask relevant questions.
7. Manage materials and belongings without assistance or reminding.
8. Obey the first time.
9. Complete tasks in a timely manner.
10. Sit attentively and respect the space of others.
11. Stand in line with hands to self.
12. Demonstrate respect by remaining quiet when adults are talking.

Habits of Heart and Mind

The goal of Covenant Academy is to produce graduates with godly character. Character is formed through the myriad of choices and habits that are made and formed in one’s life. Habit formation is character formation. Habits are formed through consistent practice. Good habits are easy to break and hard to learn. They require intentional focus and persistence. Bad habits are easily formed in the absence of intentional focus and persistence, and they are much harder to break. Thus, it is the duty of teachers to take responsibility for the habits that they allow to be formed in the classroom, both good and bad.

There are ten habits of Heart and Mind that are age-appropriately emphasized in grades 3 through 12 at Covenant, that impact a student’s learning journey in school. These habits are:

1. Neatness
2. Diligence
3. Attentiveness
4. Timeliness
5. Respectfulness

6. Initiative
7. Right relations with peers
8. Obedience to authority
9. Response to discipline
10. Speaking what is helpful and useful

Each trimester at Covenant, homeroom teachers provide feedback for students on student growth in Readiness for Learning or the Habits of Heart and Mind so that parents and students alike can target areas for celebration and improvement. An important evaluative notice to parents and students is found in the Character Assessment given by teachers. On each trimester report card, the following overall scale of Character Assessments is utilized:

E	Excels - high above the norm
G	Good- good, above average
S	Satisfactory- appropriate and acceptable, neither excellent nor deficient but still at expected level
N	Needs Improvement- significant changes should be made

PROGRESS REPORTS

To keep parents informed about a student's academic and behavioral progress in school, primary grades progress reports will be available electronically via web link for two weeks in the middle of each trimester grading period. Grades 3 and up will have access to the gradebook for 2 weeks at the end of every 3rd week during the trimester. Teachers and parents are expected to follow through on any request for a conference or any assistance that is indicated as being needed on the progress reports.

PARENT/TEACHER CONFERENCES

Parent/Teacher Conferences are scheduled once during the fall semester and once during the spring semester of each school year for all grades. Conferences may also be scheduled at other times during the year at the request of the teacher or the parent or guardian. Each student in grades 9-12 will meet with a College Advisor at least once per year and upon request.

REPORT CARDS

Report cards indicate the level of achievement for each student. This is a valuable tool in our partnership with parents. Parents have access to their students' report card at the end of each trimester and are sent a printed version upon request at any time.

STANDARDIZED TESTING

In October, the PSAT is administered to grades 9 through 11 in preparation for the SAT. The CLT8 is administered to 7th and 8th graders and the CLT10 to 9th and 10th graders, both in the spring. Also, during the spring semester, Covenant Academy administers the ERB/CTP Online through the Educational Resource Bureau to grades 1 through 7. The results obtained from these tests provide our educators, as well as parents, with objective measurement of the skills of our students. Test results are distributed to the parents when they become available. Upper school students may access their results through their online College Board and CLT accounts.

PROMOTION POLICY

Students currently enrolled in Covenant Academy must meet all the following basic criteria for promotion to the next successive grade:

1. Pass at least two school calendar trimesters of each core subject: Bible, Language Arts, Math, History and Science; and
2. Attain at least a 70 percent average for the entire year in these core subjects.
3. If students do not pass Latin, they will be required to enroll in summer tutoring for remediation.

4. Students who do not pass core subjects will be required to enroll in summer tutoring for remediation.
5. All tutoring, remediation and summer school must meet Covenant Academy grading standards for mastery. Skills must be assessed objectively and with a minimum of 70% accuracy. Tutors must be approved by Head of School and must teach according to the Covenant Academy Curriculum Guide.
6. All tutoring will be assessed using a rubric to determine that grade level expectations have been met.

HONORS & AWARDS POLICY

Philosophy

At Covenant Academy, we want to honor those who are doing well at all levels. We recognize that scripture speaks to the need for wisdom and balance in how this honor is carried out. We believe that honor is best given in the context of the child's class, among the students who know him best and personally by each specific teacher so that students do not become tempted to do their works to be seen by men, something our Lord abhorred. In addition, we want to be wise in how we honor academic progress so as not to place undue merit in standing, nor communicate apathy to high standards.

Covenant Academy maintains a system of formal honors and awards so that good work is esteemed. However, we want to be wise in how we honor our students, not allowing for knowledge to puff them up (1 Corinthians 13) or for their eyes to turn to the earthly reward over the riches of glorifying God.

Character Awards

Students in grades PK-12 will receive individual awards commending them for areas of growth in character in their individual classrooms during the last week or last day of school. Careful attention will be given to coordinating these celebrations so that parents with several children can be present for each child's award.

Academic and Honor Awards

Academic awards are presented to each child by their parents at the end-of-year Awards Assembly. Honor awards are given to students in grades 4 to 12 based on the following criteria:

- | | |
|-------------------------------------|-----------------------|
| • GPA of 3.90 or above for the year | Summa Cum Laude Award |
| • GPA of 3.75 to 3.89 for the year | Magna Cum Laude Award |
| • GPA of 3.5 to 3.74 for the year | Cum Laude Award |

Students from grades 4 to 8 will receive an honor certificate and students from grades 9 to 12 will receive a gold, silver, or bronze medal. Grade 12 will wear their medal for the year at graduation.

Graduating Senior Awards

The following cords are given to graduating seniors who have completed a distinguished cumulative GPA (more than one year at Covenant) based on the following criteria:

- | | |
|---|------------------------------|
| • Cumulative high school GPA of 3.90 or above | Summa Cum Laude, Gold cord |
| • Cumulative high school GPA of 3.75 to 3.89 | Magna Cum Laude, Silver cord |
| • Cumulative high school GPA of 3.5 to 3.74 | Cum Laude, Bronze cord |

The Valedictorian title is a special honor bestowed on the graduate with the highest cumulative high school grade point average and with at least 14 credits of the required 28 credits completed at Covenant Academy. This accomplishment is particularly praiseworthy when considering the academic rigor of a Great Books curriculum. To signify this achievement, the Valedictorian is given a red and blue cord and lights the candles representing knowledge and wisdom which come only from God during the graduation ceremony.

In the case of a tie for Valedictorian, advanced coursework and the number of credits completed will be used to determine the valedictorian.

The Patriot Award is the highest honor that can be bestowed on a Covenant Academy student, who is selected by the Upper School Faculty. It is given to the graduate who embodies the spirit of Covenant, a life pursuing wisdom and virtue through servant leadership and godly character. To signify this achievement, the Patriot is given a red, white, and blue cord and has the honor of holding God's Word, which is our standard for truth during the graduation ceremony.

TRANSCRIPT REQUESTS

Transcripts for college admissions are requested through student SCOIR accounts. All other requests are made through the Director of Student Records.

SCHOOL PROFILE

The most recent version of our School Profile is accessible on our website, by request from the school office and attached hereto as APPENDIX IX – SCHOOL PROFILE

HOMEWORK POLICY

Teachers at Covenant are careful to assign work that is necessary for retaining and growing in skills. In general, most instruction is done at school, so homework is a time to review and remember. **Homework provides an opportunity to assess the students' true understanding and independence.** It should be completed by the student, but in general should not take more than a few minutes. At the grammar level, quizzes are based on material that has been sung, chanted, memorized, and reviewed in class. **If parents find that students are needing them to reteach lessons or drill information in preparation for a quiz or test, they are encouraged to talk with their child's teacher as this is an indication that something is not working according to plan.**

Some students require more time to complete assignments and some students need more review: communication between parents and teachers is essential. There may be times where students are given special projects and assignments to do in addition to the review work listed here. Projects should not require hours of parental supervision or instruction. Parents should be able to guide their student through the process while the student does the hard (and fun) work of learning. In general, grammar students should not have more than 30-45 minutes of homework, with additional independent reading as assigned by their teacher.

Upper School Guidelines

A daily planner is provided for the students in grades 7-12 to assist with task management for students, teachers, and parents. Students are responsible and accountable for their part in managing their assignments. Parents are asked to keep the school informed when they have concerns as this helps us to partner in each child's education more effectively.

Languages, such as Math and Latin, require daily practice of 20-30 minutes per subject. In addition, students will be expected to prepare for class discussions by reading and completing assignments. When possible, teachers will give class time to begin these assignments. Upper school students should be prepared for class (reading, supplies, homework completed).

It is expected that the average upper school student will spend an average of 1.5 to 2 hours per evening on homework. If students experience difficulty managing their homework load, they are asked to contact their teachers.

ATTENDANCE POLICY

Students are required by law to be in school unless they are ill or have another qualified reason for non-attendance. This policy is designed to encourage consistent student attendance at school. At school, a student is exposed to various types of instruction. Because each class period contributes significantly to the curriculum objectives of Covenant Academy and because the instructional program is progressive and sequential, it is necessary to encourage student attendance in all prescribed classes. In the rare event a student must miss a school day, the parent or guardian is to contact the school office and follow the stated procedure.

1. Covenant Academy keeps a record of attendance for each student. The total number of days absent and days tardy will be recorded on the student's trimester report card.
2. Parents must contact their student's teacher(s) directly via email in case of absences. Please do NOT text or call your teacher(s) directly concerning absences during regular school hours.
3. In the event of excessive absences, a parent, teacher, and administration conference may be scheduled.
4. Assignments missed during absence(s) will need to be completed and returned to the teacher within the same number of days as were missed.

We recommend that all doctor or dentist appointments be scheduled after school or during lunch whenever possible.

Absentee Procedure

Students missing more than half of any day/class/period will be counted absent for that day/class/period. If the student leaves before 11:00 a.m. not to return or arrives after 11:00 a.m. they are considered absent that day.

All absences result in missed class work and lowered academic output. Therefore, students are encouraged and expected to have very few absences. When an absence occurs, the missed work will be made up within the stated time frame. Should a student receive an "I" (incomplete) on the report card, it will be changed to "0" (zero) two weeks following the close of the grading period unless an exception has been approved by administration due to extenuating circumstances.

Tardy Procedure at the Start of School

A student who arrives at school after 8:00 a.m. must be signed in by their parent, who will also issue the tardy pass. Because tardiness affects student performance, excessive tardiness will be reflected in their grade and House points.

Tardy Procedure between Classes (Logic/Rhetoric School Only)

Students who arrive in class after the start of the class period will be marked tardy by the teacher. Because tardiness affects student performance, excessive tardiness will be reflected in their grade and House points. A student missing more than half of the class period will be counted absent for that class period, not tardy. Students in grades 7-12 who habitually arrive tardy will be asked to come early the next day to work in the courtyard. Parents will be notified by email when this is necessary.

Leaving School Prior To Regular Dismissal

To pick up a student early, or for a student driver to leave early, the custodial parent, guardian, or the parent's designated representative, must communicate with the main office. For the safety of our students and so the school can fulfill its responsibility to parents in caring for student safety, students are required to report to the main office before departing. Grammar School students must be signed out by an adult.

Students checked out for an appointment are expected to return to school at the end of the appointment if time permits. In such event, the parent shall check the student back in at the school office immediately upon returning to campus.

Make-Up Work

When a student misses class, they must make up any missed assignments. In grades 1-6, the teacher will communicate what was missed and provide the necessary materials to enable the student to complete the work they missed. Parent oversight is often necessary to ensure assignments are completed and returned by the due date given (see Absentee Procedure above). In the upper school grades, the student is expected to initiate the plan for make-up work. It is recommended that the student email each teacher directly to find out what assignments were missed and receive any special instructions. Parents are encouraged to provide accountability to ensure student follow through.

Keep in mind that students miss important instruction when they are absent. In the event of multiple absences, it may be necessary to hire a tutor to provide instruction needed to complete the missed assignments and catch up with the class.

A student is discouraged from depending on classmates alone for this information. Each student should talk with each teacher on the first day that the student is back in class following an absence to avoid receiving a “0” on work left incomplete. A student normally has the same number of days to make up work missed as the number of days that the student was absent from class. In special circumstances the teacher may choose to give extensions for completion of makeup work, especially in cases where a student may have received an “I”.

If there is an extended illness, a teacher may give homework assignments to a parent or guardian upon request. It is the policy of Covenant Academy that students make up any tests (for which test material was not covered in class while the student was absent) on the first day the student returns to school. In the case of an extended absence, exceptions to this policy may be approved by the school administration. Exceptions will be approved subject to the student taking the test within a limited time frame.

Family Vacations

The classroom experience is not easily replaced by make-up work. Vacations that take students out of school are discouraged. However, since there may be times when parent-accompanied trips do not coincide with the school calendar, exceptions may be permitted. Work missed will be provided upon return. The student will have the same number of days to return work following his or her return to school (maximum of 5 school days). Private tutoring may be necessary at the additional expense of the parent.

EXTRA-CURRICULAR ACTIVITIES

Eligibility

For a student to participate in extra-curricular activities at Covenant Academy, he or she must maintain passing grades and acceptable behavior. If a student cannot maintain passing grades or demonstrate appropriate self-control, they will be ineligible to participate in extra-curricular activities. Ineligibility is a consequence that may be invoked at the discretion of the school administration on a case-by-case basis.

Athletics

Students in grades 7 through 10 who are involved in athletics at Covenant Academy will be given a study hall during normal P.E. time while that sport is in season. When they are in the off-season and are not involved in any Covenant sport, they will attend regular P.E. classes.

Students who receive their P.E. credit through outside athletics are exempt if their activity is above and beyond the hours of conditioning offered at school. These students are expected to spend the entire portion of time in Study Hall.

Students in grades 11 through 12, due to their additional coursework, are expected to take ownership of their own physical conditioning as a life-long pursuit of healthy habits. Please see the Athletic Handbook for additional guidelines.

Before and After School Clubs and Activities

Covenant Academy is pleased to offer a variety of before and after school clubs as well as physical training activities for upper school students who do not participate in athletics. All programs which meet on the school property or are designed as a school club will adhere to Covenant Academy school rules.

Parents are also encouraged to participate in the various support groups/clubs offered at Covenant Academy. Parents who desire to serve in a leadership capacity must be in good standing and have their child re-enrolled for the upcoming school year when applicable.

LEARNING DIFFERENCES POLICY

This policy applies to all students and teachers in all the classrooms of Covenant Academy.

Definitions

Severe Learning Difference: Any apparent condition in a potential student which would require a separate classroom, program, or staff to provide the educational services generally offered by Covenant Academy.

Learning Difference: Any condition in a potential student or student which may affect a student's ability to learn, but does not require a separate classroom, program, additional staff, or accommodations to provide the education services generally offered by Covenant Academy.

Policy

With respect to learning differences, Covenant Academy's policy is as follows:

1. A child with a severe learning difference will not be admitted to Covenant Academy under the normal expectations and conditions due to the lack of adequate staff, funding, and facilities.
2. Unless the parents of a child and the school administration have all agreed on a modified grading policy, all children - including those children who have been diagnosed as having a learning difference - will be required to meet the same academic and behavioral standards as all the other children in their grade level.
3. Children who have been diagnosed as having a learning difference will be given as much individual instruction and encouragement as their classmates.

Expectations

It is the expectation of Covenant Academy that parents will be involved in the education process of their child/children. The parent or guardian of a child with a unique behavioral, emotional, learning, or social need should inform the school to ensure academic success. It is the desire of Covenant Academy to partner with family especially when children need additional assistance. However, Covenant Academy is not equipped to provide specialized educational services at the current tuition rate.

Both parents (unless situations prohibit) or the guardian, as applicable, will be required to attend all scheduled parent/teacher conferences throughout the school year. If at any time, the Covenant Academy administration and/or Board of Trustees determine that Covenant Academy is unable to adequately meet the needs of the student, a special conference will be scheduled.

Process of Determining Needs for Accommodations/Modifications:

1. The school determines that the current support is not adequate for student success in the classroom.
2. Additional Testing is completed to determine areas of strength and weakness. Parents are contacted to provide consent for testing to be completed. Testing may require additional fees for which the parents are responsible.
3. A multi-disciplinary team is formed as directed by the Head of School; the parents are an integral part of this team and process.
4. A plan is discussed and implemented by the multi-disciplinary team.
5. All approved additional services are paid by parents.

This page has intentionally been left blank for double-sided printing.

CODE OF CONDUCT

AUTHORITY OF THE SCHOOL

When students are admitted to Covenant Academy, they become identified with the school and the school is judged by the way the students conduct themselves. An important part of our mission is to teach our students the tenets necessary to become responsible citizens of the community. Therefore, the authority of the school with respect to student conduct and discipline applies not only on campus, but also to any school-sponsored event regardless of time or location.

STUDENT ETIQUETTE

“Do nothing out of selfish ambition or vain conceit, but in humility consider others better than you. Each of you should look not only to your own interests, but also to the interests of others.” (Phil. 2:3-4) Covenant Academy is a community. We seek to reflect God’s image to one another and encourage one another in love. Covenant Academy students are expected to treat others with respect, honor, patience, kindness and to demonstrate a high degree of self-control.

CLASSROOM RULES

Our overall goal is that our students would “Love the Lord you God with all your heart, soul, mind and strength... and love your neighbor as yourself” (Matt. 22:37-39) following these three classroom rules:

- a. Honor those in authority, bless your leaders and submit to them fully. (Heb. 13:17)
- b. Obey all the way, right away, cheerfully, every day. (Eph. 6:1, Col. 3:23)
- c. Speak only what is helpful and useful. (Eph. 4:29)

SCHOOL RULES

We believe that “All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness; so that the man of God may be adequate, equipped for every good work.” (2 Tim. 3:16-17) God’s Word is the final authority for life and godliness. Faculty and staff will be intentional about training in righteousness.

These are the essential policies that we require all students to follow. Each teacher is free to add to this list those rules that allow his/her classroom to run more smoothly and efficiently.

1. Students should cooperate and embrace basic Christian standards of behavior, conversation, and language during school hours and at any school-sponsored event, on or off campus.
2. Students are expected to treat worship, prayer, and class discussion with proper reverence. Jokes, songs, or actions that treat the Lord’s name or character with triviality are not permitted.
3. There should be no talking back or inappropriate arguing with teachers or staff. Prompt and cheerful obedience is expected.
4. Students are expected to treat each other with kindness and respect. Teasing, criticizing, bullying and name-calling are not permitted, including on social media.
5. Public displays of affection (i.e., holding hands, kissing, etc.) in the context of boy/girl relationships are not permitted at school. The school views this as an unnecessary distraction from academic pursuits. Flirtation through texting and social media may be viewed as a distraction on campus and may be addressed with disciplinary action.
6. It is expected that students work diligently and concentrate fully on their work while in school. All work is to be completed within the time specified by the teacher. Repeated failure to complete assignments on time may be addressed in an office visit and possibly suspension.
7. Students are expected to treat all the school’s materials or facilities with respect and care. This includes all textbooks distributed to the students. (Students will be charged for lost or damaged textbooks.)

8. Students who do not adhere to and comply with the school's dress code are eligible for a disciplinary office visit.
9. No chewing gum, electronic devices or games are permitted during school hours.
10. Cell phone use is not permitted and should be kept out of sight and silent during school hours. If students need to communicate with parents, they may call from the school office.
11. No guns, weapons, alcohol, tobacco, or vaping products are permitted on school grounds or at any school function.
12. Students are expected to be aware of and avoid the off-limits areas of the building or grounds.
13. Students are to be supervised by a parent if present outside of school hours and not participating in a school-sponsored event or after school activity.

Drug and Alcohol Use

The staff, faculty, administration, and Board of Trustees of Covenant Academy believe that any minor's non-medical involvement (i.e., consumption, procurement, provision) with controlled substances (drugs or alcohol), or material generally acknowledged to be harmful to an individual's physical, spiritual, or psychological health is inconsistent with the Christian lifestyle. Although Scripture does not speak directly to the problem of drug abuse, it does instruct individuals in the maintenance of healthful lifestyles and avoidance of harmful indulgences and excesses.

Furthermore, since a minor's involvement with drugs and alcohol is specifically defined and prohibited under Texas and Federal Criminal Laws, its avoidance is implied by the biblical injunction to be subject to our governmental authorities. Confirmation of drug or alcohol use or possession as defined above will be reported to the appropriate legal authorities and will subject the individual(s) involved to immediate disciplinary review by the school administration and the Covenant Academy Board of Trustees.

Drug usage or possession will be cause for an immediate seven-day suspension with an automatic recommendation to the Board for permanent expulsion. Alcohol use or possession will be cause for an immediate five-day suspension. A second alcohol related incident will be cause for an immediate seven-day suspension with an automatic recommendation to the Board for permanent expulsion. No differentiation will be made based on the amount of a substance found, possessed, or used or when/where the drug use occurred.

Sexual Misconduct

A student can be dismissed and expelled from Covenant Academy for any behavior, on or off campus, which reflects negatively on the school. Any violation of city, state or federal law that results in an arrest and/or indictment is grounds for dismissal. All our students are minors and are responsible to their parents and/or legal guardians. Students are not allowed to participate in sexual misconduct during school or at school events, on or off campus. The position of the school is based on the Bible which is the final authoritative standard over all things pertaining to life and godliness. Sexual intercourse and relating is reserved for marriage between a man and woman. Any form of sexually related contact between children, whether direct or indirect, is prohibited and is grounds for dismissal. Acts of sexual misconduct will be determined so by the Head of School and/or the Covenant Academy Board of Trustees who have final interpretive authority.

Suggestive references to sex (sexting) via electronic media is a violation of scripture and of the school's rules. Students engaged in any form of inappropriate, sexual communication will be eligible for suspension.

Pornography

Students are not allowed to bring pornographic material of any kind, hard or soft, onto campus. This kind of material in any medium, disc or internet, is not to be accessed, via internet, stored or brought on campus. Violating this rule may result in expulsion from school.

Cell Phones and Other Electronic Devices

In general, students are not permitted to use cell phones during school hours and students in grades Pre-K through 8 should not have a phone on campus. All students have access to office phones during school hours should they need to contact a parent. If a high school student brings a cell phone to school, it should be kept out of sight, in the student's backpack or locker (not on self), and silent during the school hours. If a student uses a cell phone or other electronic device (smart watches, tablets, etc.) during school hours without the prior approval of the school administration, the device will be taken by the administration or teacher and held in the office until the end of the day. Such student may be subject to additional discipline as determined at the discretion of the Principal or Head of School. If a student needs to contact a parent, he or she will be asked to do so in the school office.

After school, high school students may use cell phones to call or text their parents at the end of the school day when car line ends at 3:45 p.m. High school students that remain on campus after 3:45 p.m. may use their phones to complete an assignment (research, calculator, clarification on assignment). Young adults will be expected to apply wisdom and integrity to every situation, electronic and otherwise. Inappropriate use of electronics after school will result in the device being taken until parents pick it up from the school office. Repeated disobedience may result in disciplinary action. We want all policies at Covenant to reflect a spirit of comradery and partnership so that policing is not necessary. As in all things, we seek to give the tools for self-governance.

The terms and conditions for computer network and internet use via electronic devices are provided in APPENDIX VI – COMPUTER/INTERNET USAGE AGREEMENT attached hereto. In general, this requires efficient, ethical, and legal utilization of the network resources. If a Covenant Academy network user violates any of these provisions, his or her account will be terminated, and future access could possibly be denied.

CARE OF SCHOOL PROPERTY

The environment of the school is reflective of the values of the people who inhabit it. Therefore, it is expected that students take responsibility for maintaining the beauty and orderliness of the school. Students will be held responsible for damage done to school property, including furniture, equipment, and textbooks. Such damage will be reported to parents and equitable replacement, or repair costs will be charged to the family account.

In addition, Upper School students will have the opportunity to take ownership and servant leadership of the school grounds by participating in Service Time for fifteen minutes after their lunch period. Students are divided up into teams to complete tasks, such as empty recycling bins, sweep the Patriot Hall floor, clean the windows of doors and doorknobs, help with simple office tasks, and more.

Textbooks

Students are loaned textbooks for their use during the school year. These books belong to the school and must be respected as borrowed property. Certain textbooks are required to be covered as advised by the teachers. These textbooks must be covered at all times. Stretchy book covers are not permitted as they break down the spine of the book over time. Students will be charged full price and applicable shipping fees for lost books or books that have suffered excessive damage as determined in the discretion of the teacher.

Textbooks, workbooks, and all other educational materials covered by the book fee are the property of the school and will be retained by Covenant Academy in the event of a student's withdrawal or dismissal.

Lost and Found

Students often misplace articles of clothing, books, and other personal property. When school employees and students find such articles, the articles should be taken to the school office. The

Revised: 2/28/2024

items will be kept in the school office until the end of the month when unclaimed items will be donated to appropriate charities.

DISCIPLINE POLICY

In disciplining a student, we are teaching them (discipling them) in the way that they should go (Proverbs 3). In Matthew 15, the Lord Jesus taught that our actions are the fruit of what is in our hearts.

"No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it..." Hebrews 12:11 Contrary to popular opinion, discipline, as described in Scripture is not a process of punishment as much as a process of discipleship and love.

Our focus at Covenant Academy is not to merely address whether a student's conduct is right or wrong, but to help the student examine their own heart before the Lord. By getting to the heart, we seek to reach the root of the actions, not just the fruit of them. Though we can't read a heart, we see the fruit of what is in their heart by their actions (Matthew 12). We learn in Galatians 5 that a heart that is following the Lord will have good fruit: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Therefore, these are not "behaviors" or "traits" that we can produce through instruction as much as the result of God at work in someone's life. The process of how God works in a person's life is not a mystery or secretive affair; He produces good in us when we "make every effort to add to our faith goodness; and to goodness, knowledge; and to knowledge, self-control; and to self-control, perseverance; and to perseverance, godliness; and to godliness, mutual affection; and to mutual affection, love." 2 Peter 1:5-7.

We believe this means that that each of us should be teachable in whatever relationships God has placed us. Ultimately, the change is not due to human action, but the work of God in a person's life. God works in the lives of His children not by giving them easy paths, but by faithfully instructing them and challenging them to persevere and walk by faith. When we persevere in hard work, are expected to live to a high standard and are graciously shown how to truly walk in the light, we become godlier in the way we act. When we are disciplined with consequences, we learn to understand the way of wisdom. This is the way of our Great Shepherd in working through the lives of Joseph, Moses, David, Paul, and the Disciples. It is our intention to shepherd your child's heart, leading him to understand the love of the Savior and the great call that He has for our lives. He desires that they walk in the light and that they become the light of the world.

Covenant Academy seeks to provide an environment where students are encouraged and challenged to follow God in every facet of daily life. It is imperative that our school be a haven of safety (physically, emotionally, and spiritually) for all children. Actions that jeopardize the safety of others are dealt with promptly and severely where necessary. Discipline will be communicated either by e-mail or by the student planner. In all that we do, whether it is correcting a child, communicating that to a parent or sending a child to the office, we are seeking to demonstrate a heart of love in guiding every child at Covenant Academy.

Office Visits

Most of the day-to-day discipline should be conducted by the classroom teacher. However, there are instances where a stronger warning or consequence is needed. Such cases will be handled by the Head of School. There are five basic offenses that will automatically necessitate such action. They are:

1. **Disrespect** shown to any staff member or student, including social media. The staff member will be the judge of whether disrespect was shown.
2. **Dishonesty** in any situation while at school, including lying (which includes telling only part of the truth or neglecting to tell the whole truth), cheating and stealing.

3. **Disobedience** in response to instructions including repeated failure to follow teacher direction, procedures, or dress code or to complete tasks as assigned.
4. **Fighting**, i.e., striking in anger with the intention to harm another student.
5. **Unkind, obscene, vulgar, or profane language**, as well as taking the name of the Lord in vain.

The Head of School and Principals may require immediate suspension for the remainder of the day, restitution, and janitorial work, parental attendance during the school day with their child or other measures deemed appropriate. In severe cases where there is no change in the student's actions or assistance from the parents, the child will be expelled for the remainder of the school year.

Suspension

The Head of School will normally follow the protocol below which may include immediate suspension for the remainder of the school day. Student suspension applies to all after school activities and events. In cases where change is evident and the student appears repentant, exceptions are possible. These exceptions will be determined by the Head of School. Appeals for exceptions will not be recognized.

- **First offense** of any of the above-mentioned actions and others where the child is clearly disobeying authority – warning, restitution/apologies, and suspension for one school day. Missed work must be turned in when the child returns to school or a grade of zero will be recorded.
- **Second offense** – restitution/apologies, suspension for two school days. Missed work must be turned in when the child returns to school or a grade of zero will be recorded.
- **Third offense** – restitution/apologies, suspension for five school days. Missed work must be turned in when the child returns to school or a grade of zero will be recorded.
- **Fourth offense** – Expulsion for the remainder of the school year.

Expulsion

The Covenant Academy Board of Trustees realizes that expelling a student from school is a very serious matter and should always be carefully dealt with on a case-by-case basis. Forgiveness and restitution (repairing the damages through work, apologies, etc.) are fundamental to our total discipline policy. However, if parents are not able to help their child, or if the child is unable or unwilling to change, the Head of School, with the approval of the Board of Trustees, will need to expel him or her. Such a student will have a negative influence on the school and classroom culture, and it is the duty of the administration and board to uphold the mission of the school at large.

Serious Misconduct

Should a student commit an act with such serious consequences that the Head of School deems it necessary, the protocol defined above may be bypassed and suspension imposed immediately. Examples of such serious misconduct could include but are not limited to: acts endangering the lives of others, gross violence/vandalism to the school facilities, violations of civil law, or any act in clear contradiction of scriptural commands. Students are also responsible for their behavior-including the social media and online behavior-whether school is in session or not; therefore, students may be subject to school discipline for serious misconduct which occurs outside of school hours.

Re-admittance

At the core of discipline is a desire to see reconciliation and restoration in all school relationships. If an expelled student should desire to be readmitted to Covenant Academy, the Board of Trustees and the Head of School will make a decision based on the student's attitude and circumstances at the time of re-application.

WITHDRAWAL POLICY

A parent must contact the Head of School in writing to initiate a student's withdrawal from Covenant Academy. The appropriate school officials will make arrangements for school property to be returned.

According to the APPENDIX II – FINANCIAL CONTRACT, Acceptance of a student for enrollment or re-enrollment constitutes a significant financial commitment on the part of the school (textbooks, personnel, supplies). If a student is withdrawn from Covenant Academy after enrolling or re-enrolling, the financial obligation incurred and the payment for Contract fulfillment will be:

1. Full payment of Fee and Tuition amounts previously charged to the account, including but not limited to lunches, field trips and spirit wear. *(Lack of turning in all school resources, such as books and classroom supplies, will result in damaged/lost book fees being charged to your account.)*
2. All Tuition is non-refundable and non-transferable regardless of the circumstances EXCEPT in the following:
 - a. The student is withdrawn due to physical health issues which make attendance impossible.
 - b. The student is withdrawn as a result of a parent's loss of job or contract income which prohibits the family from paying the full tuition on time and in the foreseeable future.
 - c. The student is withdrawn as a result of the Family being forced to relocate to a location more than 75 miles from the school and farther from the school than their current residence.
3. If the tuition paid exceeds the total amount of tuition and fees due for the entire school year in accordance with the above exceptions, the school will refund the difference.

Records will be released to parents only when the above process is complete, when the student's financial record is clear and/or they are released from their Financial Contract. All fees are non-refundable and non-transferable.

DISMISSAL POLICY

CA reserves the right to dismiss a family/student as determined by the Head of School in conjunction with the Board of Trustees. Upon dismissal, the student's family is responsible for making final financial arrangements with the business office. Please refer to the tuition contract for additional information. *Note: July 1 is the beginning of the fiscal year. Effective July 1 (or the initiation of the tuition contract, whichever comes first), the family becomes financially responsible for the entire year's tuition regardless of attendance.*

By joining the Covenant Academy family, the family agrees to resolve conflict biblically, which includes pursuing a hearing, if necessary, through the Christian Classical School Arbitration Association. This organization exists to help schools resolve conflict biblically without litigation.

If litigation is pursued for any reason, the family will be financially responsible for all associated costs incurred by Covenant Academy. This includes, but is not limited to, the labor costs for preparing subpoenas, any CA attorney fees, and any costs associated with employee absence from work.

APPENDICES

This page has intentionally been left blank for double-sided printing.

APPENDIX I – 2022-2023 TUITION & FEE SCHEDULE

REQUIRED FEES (NON-REFUNDABLE)	Pre-K	Kinder to 12
Online Application Fee	\$ 25	\$ 235
Online Enrollment Fee/Registration Fee ^{1, 2}	\$ 400	\$ 450
¹ Due within 14 days of application acceptance for new students or when a returning student enrollment is completed, payable through Online Enrollment. *		
² If your current student is signed up for continuous enrollment, the \$450 Registration Fee is collected in January instead of the usual monthly tuition payment.		
*Returning families who selected NO to Continuous Enrollment the prior year must complete the online enrollment AND pay the Registration Fee by December 15 to have class placement priority. Classroom placement is not reserved until the registration fee has been paid as stated above.		

Our Registration Fee covers a portion of the cost of classroom textbooks, disposable workbooks, technology expenses, and other classroom materials essential to the education of your student.

	ANNUAL TUITION	10 Monthly Payments (Jul-May**)	2 Equal Payments (Jul & Dec)	Annual Tuition w/ 5% Discount (Due Jun 1)
Part-time Pre-K, 3-Days	\$ 6,100	\$ 610	\$ 3,050	\$ 5,795
Full-time Pre-K, 5-Days	\$ 10,000	\$1,000	\$ 5,000	\$ 9,500
Grammar School (Kinder-6 Grade)	\$ 12,500	\$1,250	\$ 6,250	\$11,875
Logic School (Grades 7-9)	\$ 13,100	\$1,310	\$ 6,550	\$12,445
Rhetoric School (Grades 10-12)	\$ 14,200	\$1,420	\$ 7,100	\$13,490
FACTS Enrollment Fee		\$50	\$20	\$20

Covenant Academy has implemented Continuous Enrollment where only the Registration Fee of \$450 per student will be assessed annually in the month of January (***the first of 10 monthly tuition payments will be made in July and end in May*). Online Enrollment is a one-time enrollment process where your student stays enrolled until they either graduate or you opt-out of enrollment for the next school year.

As your child is initially enrolled, you will be asked to agree to the terms of the contract which states the following: *"I hereby opt into continuous enrollment. This means that my student will continue coming back to Covenant every year unless I tell the school otherwise. I understand that I have until December 15th each subsequent school year to notify the school office of any changes in my plans of enrollment for my child."*

All tuition payments and incidental family charges (billed separately) are processed through the third-party organization, FACTS. During Online Enrollment, each family will select a FACTS Payment Plan relative to methods and timing of payments. FACTS assesses an enrollment fee listed above based on number of tuition payments and a \$30 fee for any returned payments.

Covenant Academy reserves the right to not re-enroll any student if his or her account with Covenant Academy is delinquent.

Open enrollment for new students begins February 1.

APPENDIX II – FINANCIAL CONTRACT
(As posted via FACTS Online Enrollment)

2022-2023 Contract Provisions

The following Contract Provisions may only be altered or amended by specific written consent of the Covenant Academy Board of Trustees.

1. Tuition, fees, and any payment penalties incurred will be charged in accordance with the policies and provisions of the published 2022-23 Tuition and Fee Schedule, which by reference becomes part of this Contract.
2. Acceptance of a student for enrollment or re-enrollment constitutes a significant financial commitment on the part of the school (textbooks, personnel, supplies). If a student is withdrawn from Covenant Academy after enrolling or re-enrolling, the financial obligation incurred and the payment for Contract fulfillment will be:
 - a. Full payment of Fee and Tuition amounts previously charged to the account, including but not limited to lunches, field trips and spirit wear. *(Lack of turning in all school resources, such as books and classroom supplies, will result in damaged/lost book fees being charged to your account.)*
 - b. All Tuition is non-refundable and non-transferable regardless of the circumstances EXCEPT in the following:
 - i. The student is withdrawn due to physical health issues which make attendance impossible.
 - ii. The student is withdrawn as a result of a parent's loss of job or contract income which prohibits the family from paying the full tuition on time and in the foreseeable future.
 - iii. The student is withdrawn as a result of the Family being forced to relocate to a location more than 75 miles from the school and farther from the school than their current residence.
 - c. If the tuition paid exceeds the total amount of tuition and fees due for the entire school year in accordance with the above exceptions, the school will refund the difference.
3. Tuition is due on the first (1st) day of each month.
4. Accounts with outstanding balances after the first five (5) days of the month will be considered "late." At such time, a \$29 late fee will automatically be assessed to your account.
5. If tuition and/or fees are still not paid and no arrangements are made within the following 15 days, the Head of School or Director of Business will personally contact the family. The essential elements or agreements made at that time will be recorded and filed.
6. If an agreement is not made or adhered to and payment is not received after 60 days, we understand that we risk the possibility of having to withdraw our child(ren), grades will be withheld, and our account will be turned over to a collection agency.
7. All tuition payments must be made electronically through FACTS Tuition Management. No cash is accepted.
8. A \$30 fee will be assessed by FACTS for any returned payments and cannot be waived.
9. This contract shall become effective when it is completed through Online Enrollment submission and the enrollment fee is paid, and/or the Tuition Payment Plan is finalized through FACTS for the new school year, if the Family has opted-in to Continuous Enrollment.
10. When a student enrolls after the start of the school year, tuition responsibility will commence at the date of enrollment.

11. By enrolling in Covenant Academy, the Family agrees to resolve conflict biblically, which includes pursuing a hearing, if necessary, through the Christian Classical School Arbitration Association. This organization exists to help schools resolve conflict biblically without litigation.
 - a. If litigation is pursued for any reason, the Family will be financially responsible for all associated costs incurred by Covenant Academy. This includes, but is not limited to, the labor costs for preparing subpoenas, any CA attorney fees, and any costs associated with employee absence from work.
 - b. Covenant Academy and the enrolled Family mutually agree to submit to any dispute arising under this agreement to binding arbitration with the Christian Classical School Arbitration Association. This includes all disputes arising out of or related in any way to this agreement or any rights or obligations created hereunder whether sounding in tort or contract, whether cognizable at law or in equity, and whether governed by state or federal law. This clause is a fundamental inducement for the school to enter into this agreement, and it is to be construed broadly to the maximum extent permitted by law. In any arbitration arising under this paragraph, the arbitrator shall apply the substantive law of the State of Texas, without recourse to the choice of law rules thereof. Should any claim asserted in said arbitration arise under federal law, the arbitrator shall apply that law as interpreted by the United States Court of Appeals for the Fifth Circuit. The location of any arbitration shall be the City of Houston, Texas. Should either party breach this agreement by threatening or filing suit in court, the other party may recover its costs and attorney's fees expended in enforcing this agreement to arbitrate.
12. The duties and obligations under this Contract may be suspended indefinitely without notice during all periods in which Covenant Academy is closed due to any force majeure events, including, but not limited to, any earthquake, fire, flooding, act of God, war, governmental action, act of terrorism, epidemic, pandemic, state of emergency, or any other event beyond its control. Covenant Academy has developed a contingency instruction plan to deliver remote instruction as soon as is reasonably practicable and safe under the circumstances. If such a force majeure event occurs, the duties and obligations in this Contract may be postponed for a period of time until Covenant Academy can deliver its contingency course instruction or until such time as Covenant Academy, in its sole discretion may safely reopen. In the event Covenant Academy is closed for a period of time or must deliver course work remotely due to an event under this clause, the Family agrees Covenant Academy is under no obligation to cancel, waive, or refund, any portion of tuition that is owed or paid.

2022-23 FACTS Tuition Payment Plan Setup

- A. Once you click the "Go to FACTS" button (online), you will be directed to your FACTS account page.
- B. Select the "Set up a Payment Plan" link from the bottom of the left column.
- C. Select the "2022-23 School Year" to be walked through the process of setting up your Payment Plan. *
- D. Return to Online Enrollment to complete the process and pay the Enrollment Fee.

**Note: No new tuition charges will be added to your FACTS account until the school office finalizes your Tuition Payment Plan Agreement. Annual tuition fees are contingent on financial aid awards, will be communicated separately, and reflected in your Payment Plan Agreement, if applicable.*

Contract acceptance

By submitting this information online, the Family agrees that they have read, understand, and accept the Contract Provisions contained herein, as well as the provisions of the 2022-23 Tuition and Fee Schedule.

This page has intentionally been left blank for double-sided printing.

APPENDIX III – IMMUNIZATION REQUIREMENTS

2022 - 2023 Texas Minimum State Vaccine Requirements for Child-Care and Pre-K Facilities

This chart summarizes the vaccine requirements incorporated in the Texas Administrative Code (TAC), Title 25 Health Services, §§97.61-97.72. This chart is not intended as a substitute for consulting the TAC, which has other provisions and details. The Department of State Health Services (DSHS) is granted authority to set immunization requirements for child-care facilities by the Human Resources Code, Chapter 42.

A child shall show acceptable evidence of vaccination prior to entry, attendance, or transfer to a child-care facility in Texas.

Age at which child must have vaccines to be in compliance:	Minimum Number of Doses Required of Each Vaccine							
	Diphtheria / Tetanus / Pertussis (DTaP)	Polio	Hepatitis B (HepB) ¹	<i>Haemophilus influenzae</i> type b (Hib) ²	Pneumococcal conjugate vaccine (PCV) ³	Measles, Mumps, & Rubella (MMR) ^{1,4}	Varicella ^{1, 4, 5}	Hepatitis A (HepA) ^{1, 4}
0 through 2 months								
By 3 months	1 Dose	1 Dose	1 Dose	1 Dose	1 Dose			
By 5 months	2 Doses	2 Doses	2 Doses	2 Doses	2 Doses			
By 7 months	3 Doses	2 Doses	2 Doses	2 Doses	3 Doses			
By 16 months	3 Doses	2 Doses	2 Doses	3 Doses	4 Doses	1 Dose	1 Dose	
By 19 months	4 Doses	3 Doses	3 Doses	3 Doses	4 Doses	1 Dose	1 Dose	
By 25 months	4 Doses	3 Doses	3 Doses	3 Doses	4 Doses	1 Dose	1 Dose	1 Dose
By 43 months	4 Doses	3 Doses	3 Doses	3 Doses	4 Doses	1 Dose	1 Dose	2 Doses

Information taken from the Texas Department of State Health Services at <http://www.dshs.texas.gov/immunize/school/>

- ¹ Serologic evidence of infection or serologic confirmation of immunity to measles, mumps, rubella, hepatitis B, hepatitis A, or varicella is acceptable in place of vaccine.
- ² A complete Hib series is two doses plus a booster dose on or after 12 months of age (three doses total). If a child receives the first dose of Hib vaccine at 12 - 14 months of age, only one additional dose is required (two doses total). Any child who has received a single dose of Hib vaccine on or after 15 - 59 months of age is in compliance with these specified vaccine requirements. Children 60 months of age and older are not required to receive Hib vaccine.
- ³ If the PCV series is started when a child is seven months of age or older or the child is delinquent in the series, then all four doses may not be required. Please reference the information below to assist with compliance:
 - For children seven through 11 months of age, two doses are required.
 - For children 12 - 23 months of age: if three doses have been received prior to 12 months of age, then an additional dose is required (total of four doses) on or after 12 months of age. If one or two doses were received prior to 12 months of age, then a total of three doses are required with at least one dose on or after 12 months of age. If zero doses have been received, then two doses are required with both doses on or after 12 months of age.
 - Children 24 months through 59 months meet the requirement if they have at least three doses with one dose on or after 12 months of age, or two doses with both doses on or after 12 months of age, or one dose on or after 24 months of age. Otherwise, an additional dose is required. Children 60 months of age and older are not required to receive PCV vaccine.
- ⁴ For MMR, Varicella, and Hepatitis A vaccines, the first dose must be given on or after the first birthday. Vaccine doses administered within 4 days before the first birthday will satisfy this requirement.
- ⁵ Previous illness may be documented with a written statement from a physician, school nurse, or the child's parent or guardian containing wording such as: "This is to verify that (name of child) had varicella disease (chickenpox) on or about (date) and does not need varicella vaccine." The written statement will be acceptable in place of any, and all varicella vaccine doses required.

Information on exclusions from immunization requirements, provisional enrollment, and acceptable documentation of immunizations may be found in §97.62, §97.66, and §97.68 of the Texas Administrative Code, respectively and online at <https://www.dshs.texas.gov/immunize/school/default.stm>.

Exemptions

Texas law allows (a) physicians to write medical exemption statements which clearly state a medical reason exists that the person cannot receive specific vaccines, and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exemption simply because of inconvenience (for example, a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem). Schools should maintain an up-to-date list of students with exemptions, so they may be excluded in times of emergency or epidemic declared by the commissioner of public health.

Instructions for requesting the official exemption affidavit that must be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at www.dshs.texas.gov/immunize/school/exemptions.aspx. The original Exemption Affidavit must be completed and submitted to the school.

For children claiming medical exemptions, a written statement by the physician must be submitted to the school. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

Documentation

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. Validation includes a signature, initials, or stamp. An immunization record generated from an electronic health record must include clinic contact information and the provider's signature/stamp, along with the vaccine name and vaccination date (month, day, and year). An official record generated from a health authority is acceptable. An official record received from school officials, including a record from another state is acceptable.

2022 - 2023 Texas Minimum State Vaccine Requirements for Students Grades K - 12

This chart summarizes the vaccine requirements incorporated in the Texas Administrative Code (TAC), Title 25 Health Services, §997.61-.97.72. This document is not intended as a substitute for the TAC, which has other provisions and details. The Department of State Health Services (DSHS) is granted authority to set immunization requirements by the Texas Education Code, Chapter 38.

IMMUNIZATION REQUIREMENTS

A student shall show acceptable evidence of vaccination prior to entry, attendance, or transfer to a public or private elementary or secondary school in Texas.

Vaccine Required (Attention to notes and footnotes)	Minimum Number of Doses Required by Grade Level												Notes	
	Grades K - 6th						Grade 7th	Grades 8th - 12th						
	K	1	2	3	4	5	6	7	8	9	10	11		12
Diphtheria/Tetanus/Pertussis (DTaP/DTP/DT/Td/Tdap)	5 doses or 4 doses						3 dose primary series and 1 booster dose of Tdap / Td <i>within the last 5 years</i>	3 dose primary series and 1 booster dose of Tdap / Td <i>within the last 10 years</i>						For K – 6th grade: 5 doses of diphtheria-tetanus-pertussis vaccine; 1 dose must have been received on or after the 4 th birthday. However, 4 doses meet the requirement if the 4th dose was received on or after the 4 th birthday. ¹ For students aged 7 years and older, 3 doses meet the requirement if 1 dose was received on or after the 4 th birthday. ¹ For 7th grade: 1 dose of Tdap is required if at least 5 years have passed since the last dose of tetanus-containing vaccine.* For 8th – 12th grade: 1 dose of Tdap is required when 10 years have passed since the last dose of tetanus-containing vaccine.* *Td is acceptable in place of Tdap if a medical contraindication to pertussis exists.
Polio	4 doses or 3 doses												For K – 12th grade: 4 doses of polio; 1 dose must be received on or after the 4 th birthday. ¹ However, 3 doses meet the requirement if the 3 rd dose was received on or after the 4 th birthday. ¹	
Measles, Mumps, and Rubella ² (MMR)	2 doses												For K – 12th grade: 2 doses are required, with the 1st dose received on or after the 1 st birthday. ¹ Students vaccinated prior to 2009 with 2 doses of measles and one dose each of rubella and mumps satisfy this requirement.	
Hepatitis B ²	3 doses												For students aged 11 – 15 years, 2 doses meet the requirement if adult hepatitis B vaccine (Recombivax [®]) was received. Dosage (10 mcg /1.0 mL) and type of vaccine (Recombivax [®]) must be clearly documented. If Recombivax [®] was not the vaccine received, a 3-dose series is required.	
Varicella ^{2,3}	2 doses												For K – 12th grade: 2 doses are required, with the 1st dose received on or after the 1 st birthday. ¹	
Meningococcal (MCV4)	1 dose												For 7th – 12th grade, 1 dose of quadrivalent meningococcal conjugate vaccine is required on or after the student's 11 th birthday. NOTE: If a student received the vaccine at 10 years of age, this will satisfy the requirement.	
Hepatitis A ²	2 doses												For K – 12th grade: 2 doses are required, with the 1st dose received on or after the 1 st birthday. ¹	

NOTE: Shaded area indicates that the vaccine is not required for the respective grade.

Information taken from the Texas Department of State Health Services at
<http://www.dshs.texas.gov/immunize/school/>

¹ Receipt of the dose up to (and including) 4 days before the birthday will satisfy the school entry immunization requirement.

² Serologic evidence of infection or serologic confirmation of immunity to measles, mumps, rubella, hepatitis A, or varicella is acceptable in place of vaccine.

³ Previous illness may be documented with a written statement from a physician, school nurse, or the child's parent or guardian containing wording such as: "This is to verify that (name of student) had varicella disease (chickenpox) on or about (date) and does not need varicella vaccine." This written statement will be acceptable in place of any and all varicella vaccine doses required.

Information on exclusions from immunization requirements, provisional enrollment, and acceptable documentation of immunizations may be found in §97.62, §97.66, and §97.68 of the Texas Administrative Code, respectively and online at <https://www.dshs.texas.gov/immunize/school/default.shtm>.

Exemptions

Texas law allows (a) physicians to write medical exemption statements which clearly state a medical reason exists that the person cannot receive specific vaccines, and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exemption simply because of inconvenience (for example, a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem). Schools should maintain an up-to-date list of students with exemptions, so they may be excluded in times of emergency or epidemic declared by the commissioner of public health.

Instructions for requesting the official exemption affidavit that must be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at www.dshs.texas.gov/immunize/school/exemptions.aspx. The original Exemption Affidavit must be completed and submitted to the school.

For children claiming medical exemptions, a written statement by the physician must be submitted to the school. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

Provisional Enrollment

All immunizations must be completed by the first date of attendance. The law requires that students be fully vaccinated against the specified diseases. A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. Student must not be overdue for the next dose in a series to be considered provisional. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school.

A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the school shall exclude the student from school attendance until the required dose is administered.

Additional guidelines for provisional enrollment of students transferring from one Texas public or private school to another, students who are dependents of active duty military, students in foster care, and students who are homeless can be found in the TAC, Title 25 Health Services, Sections 97.66 and 97.69.

Documentation

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. Validation includes a signature, initials, or stamp. An immunization record generated from an electronic health record must include clinic contact information and the provider's signature/stamp, along with the vaccine name and vaccination date (month, day, and year). An official record generated from a health authority is acceptable. An official record received from school officials, including a record from another state is acceptable.

APPENDIX IV – COMMUNICABLE DISEASE CHART

CONDITION	INCUBATION	EXCLUDE FROM ATTENDANCE
COVID-10	Up to 14 days, with a median time of 3-5 days from exposure to symptom onset	If symptomatic, exclude until at least 5 days have passed since symptom onset, and fever free*, and other symptoms have improved. Children who test positive for COVID19 but do not have any symptoms must stay home until at least 5 days after the day they were tested.
Chicken Pox	10-21 days	Six days after last crop of blisters appear or until temperature is normal: with no complications or moist lesions
Conjunctivitis (Pink Eye)	1-3 days	Until 24 hours of antibiotic drop therapy is completed or released by a physician
Impetigo	Variable	Until adequately treated and/or released by a physician
Mumps	1-26 days	Until temperature is normal for 24 hours and swelling is gone
Pediculosis (Lice)	7-10 days	Until under treatment and free of live organisms and nits
Rubella	7-21 days	Seven days after appearance of rash or released by a physician
Streptococcal Infections	1-2 days	Until after 24 hours of antibiotic therapy and when fever* has subsided

***Note:** Fever is a temperature of 100° Fahrenheit (37.8° Celsius) or higher.

APPENDIX V – MEDICINE AUTHORIZATION**(As posted via Family Portal>School Information>Web Forms>Address/Medical... Form)**

Student Last, First Name _____

Medicine Authorization Checklist

By checking the following, I hereby understand that these are the medications that the school may have on-hand and that they may be given to my child as needed. By checking the boxes on the right (via FACTS Family Portal), I give the school permission to administer the recommended dosage as needed and inform me afterwards via the FACTS Family Portal Medical Notification system. Otherwise, the school will wait for my permission prior to administering any of the unchecked medicines below.

- ☐ Neosporin
- ☐ Calamine or Caladryl
- ☐ Topical Benadryl
- ☐ Band-Aid or Ace wrap
- ☐ Regular Strength Tylenol (Acetaminophen)
- ☐ Jr. Tylenol (Acetaminophen)
- ☐ Regular Strength Ibuprofen
- ☐ Jr. Chewable Ibuprofen
- ☐ Regular Strength Benadryl
- ☐ Children's Benadryl Chewable
- ☐ Tums/Antacids

I, the parent and/or legal guardian of the above-named minor do hereby appoint Covenant Academy to act on my behalf in authorizing emergency medical, dental, surgical care and/or hospitalization for the above-named minor in the event I cannot be reached. I agree to be financially responsible for all such treatment.

☒ Yes ☐ No

APPENDIX VI – COMPUTER/INTERNET USAGE AGREEMENT

(As posted via FACTS Family Portal)

Acceptable Use

A student's use of a network user account must be in support of education and research and be consistent with the educational objectives of Covenant Academy. Use of other organization's network or computing resources must comply with the rules appropriate for that network. Transmission of any material in violation of any national or state regulation is prohibited. This includes, but is not limited to copyrighted material, threatening or obscene material, or material protected by trade secrets or other confidentiality restrictions.

Privileges

The use of the computer network and the internet is a privilege, not a right; and inappropriate use will result in the cancellation of those privileges. The school administration will make the final decision as to what is inappropriate use. In addition, the Covenant Academy network administrator may deny, revoke, or suspend specific user accounts at any time as required or as may be deemed appropriate by the school administration.

Network Etiquette

All users are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:

- Be polite. Do not be abusive, rude, or disrespectful in your correspondence to others.
- Use appropriate language. Do not swear, use vulgarities or any other inappropriate language.
- Illegal activities are strictly forbidden.
- Do not reveal personal information about yourself or any other person.
- Note that electronic mail (E-mail) *is not private*. Further, all correspondence sent to or from Covenant Academy's network is subject to being reviewed, monitored, and archived by the network administrator.
- Do not use the network in such a way that you would disrupt the use of the network by other users or otherwise subject the network to any harmful viruses, spyware or other malicious software or code.
- All information accessible by Covenant Academy users via the network should be assumed to be private property. Use of graphics, documents and content obtained from other websites may be subject to copyright law. Due care must be taken to avoid infringing upon the copyrights of the creator of such works. Any infringement upon any such rights shall be the responsibility of the user and not Covenant Academy.

Security

Security on any computer network system is a high priority, especially when the system involves many users. If a security issue is identified by any user, the user must notify the school administration immediately. In turn, the Covenant Academy's network administrator must be advised so that the potential security threat can be assessed and corrected if necessary. Do not demonstrate the problem to other users. *Do not use another individual's user account logon credentials*. Attempts to logon to the network as a system administrator will result in cancellation of user privileges.

Vandalism

Vandalism will result in cancellation of network privileges. Vandalism is defined as any malicious attempt to harm or destroy hardware, software, or any data belonging to Covenant Academy or another user.

No Warranty

Covenant Academy makes no warranties of any kind, whether expressed or implied, for the services provided through a computer network. Covenant Academy will not be responsible for any damages you may suffer. This includes loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions, no matter how such may be caused, including whether by the negligence of any party or by the errors or omissions of the individual users. Use of any information obtained via the Internet is at the risk of the individual user. Covenant Academy specifically denies any responsibility for the accuracy or quality of information obtained through its network services.

APPENDIX VIII – FACTS FAMILY PORTAL

What is FACTS Family Portal?

FACTS Family Portal is our school parents' portal into Covenant Academy's information management system. You might have seen the name "FACTS" around. FACTS is the name of our school information management system, and Family Portal is the parent access into this system.

In general, this is information that is of a more private nature to our students and their families and is therefore in a password-protected, secure environment. On FACTS Family Portal you will find our school calendar and announcements, class, school, and staff directories, school newsletters, and progress reports (when available). Your family's e-mail addresses, demographic and emergency contact information can be updated in FACTS Family Portal at your convenience.

How do I log on to FACTS Family Portal?

Go to the FACTS Family Portal log in screen by going to <https://factsmgt.com/> and choose the Parent Log In> FACTS Family Portal menu option. The Covenant Academy District Code is CV-TX.

How can I get a user id and password to access FACTS Family Portal if I don't have one?

1. Make sure the Parents tab is selected and click the "Create New Family Portal Account" link.
2. You will be prompted to enter the primary email address that the school has on file for you, personally.
3. Click Create Account. If your email address matches the email address that the school has on record for you, a random password will be sent to you at that email address.
NOTE: you may change this password to something more user-friendly by expanding the Family Information menu and clicking Username / Password once you are logged in to FACTS Family Portal.

How can I access FACTS Family Portal once I have my log in information?

1. Go to the FACTS Family Portal log in screen (see "How do I log on..." above).
2. Enter the District Code: CV-TX.
3. Enter the username that you established or, if you've never changed it, the primary email address that the school has on file for you.
4. Enter the password that FACTS sent you or whatever you changed it to when you initially logged in.

Who do I contact if I have a problem?

[Email Laurie Brooks](mailto:Laurie.Brooks@covenantacademy.org) or call the school office at 281-373-2233 for additional assistance.

FACTS Family Portal Frequently Asked Questions

1. **Who updates FACTS Family Portal and how often?**
The home page of FACTS Family Portal is updated by the school office regularly. The teacher sites, including homework, grades and attendance are updated by each teacher on a regular basis.
2. **I cannot locate the homework for my student(s). Where is it in FACTS Family Portal?**
Once you have logged in to the home page, click on the button link to the left titled Student Information. The Student Home page will display the grades for each class in a window to the right. If you have more than one child, you will see separate tabs at the top of the windows that you can click on for each one.

3. **If there is a conflict between my child's planner and FACTS Family Portal - which is right?**

Go with the planner. On occasion it could happen that the real time homework assigned by the teacher in class is more up to date than the assignment they posted online the day before.

4. **Why should my child keep their planner updated if the teachers will post everything online?**

Keeping a planner is a crucial practice which helps students develop important skills of responsibility, organization, and self-reliance, which they will need to succeed in their future schooling and in life.

5. **Can I delete myself or spouse from the FACTS system?**

No. FACTS only allows you to delete grandparent or emergency contact information.

6. **Can I have more than one email address in the FACTS Family Portal system?**

Yes, each individual family member can have two email addresses. Just remember that if you have two email addresses in our system, you will receive duplicate emails, one at each address.

7. **When I first signed on to FACTS Family Portal to obtain my password, I did not receive the responding email.**

If you did not receive the email that contains your temporary password, it could be that a spam filter has blocked the FACTS Family Portal email to you. If you have used your work email address, you would need to check with the individual at your company responsible for the spam filter. If you used your home email address, this message may end up in a Junk Mail folder. If you cannot locate the email either at work or at home, please contact the School Office to verify the email address that is on file for you in FACTS Family Portal.

8. **What can I do to guarantee that my child's information is secure?**

It is very important that you have a cryptic password for your login to FACTS Family Portal. You should never use your child's name as the password. It is best if you use either the numeric password sent to you or a password that is a combination of letters and numbers.

APPENDIX IX – SCHOOL PROFILE

COVENANT ACADEMY

A Classical Christian School

11711 Telge Road
Cypress, TX 77429
281-373-2233
Fax: 281-582-8227
Website: CovenantCypress.org

Leslie Collins, Head of School
Tiffni Blake, Upper School Principal
Roben Card, College Advisor
Shari Archer, Director of Records
CEEB Code: #441685

Covenant Academy exists to serve Christ and His kingdom by sharing the gospel and partnering with parents to train students by way of Scripture and the classical liberal arts.

Origin

Established in 2003 as a K-8th grade classical Christian school, Covenant Academy launched a high school with its first freshman class in the fall of 2012. The class of 2016 was our first graduating class.

School Community

Covenant Academy is a private Christian, college preparatory, liberal arts school utilizing classical methodology. PK-12th student enrollment for the 2022-2023 school year is 158 students with the high school comprised of 38 students.

Admission is a selective process based on the academic record, teacher recommendations, and pre-admission assessment, as well as family interviews. Covenant Academy admits students of any race, color, national and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship programs, and athletic and other school administered programs.

Our upper school (grades 7-12) has an average class size of 10 students. All upper school faculty members are degreed with respect to their disciplines and multiple hold advanced degrees.

Accreditation/Memberships

Covenant Academy is accredited through the Association of Classical Christian Schools and AdvancED, and is a member of the Society for Classical Learning, The Circe Institute, and the Association of Christian Schools International.

Academic Program

Covenant Academy's high school curriculum places a high value on helping students achieve their full potential through rigorous, liberal arts coursework across all of the disciplines.

The Harkness Table is a large oval table designed to facilitate Harkness and Socratic discussions. Students come to the table prepared to discuss and further develop their ideas and employ logic and rhetoric skills. Teachers primarily teach using questions, debate, and discussion.

Humanities classes are taught through The Great Books with an emphasis on primary sources. Great Books selections follow the History timeline with geography, economics, and philosophy integrated throughout the curriculum. Course material meets the usual expectations for honors and college level instruction.

Both on-level and advanced math programs allow students to achieve what are considered distinguished graduation requirements. Students who enroll in Calculus may also choose to take the AP exam.

All high school science classes are lab based, and graduates are trained in the formal writing of lab reports. All students take Biology, Physics, Chemistry, and an advanced senior level science class.

Prior to graduation, seniors complete a thesis on an approved topic. The senior thesis must include thorough academic research, analytic and persuasive writing, with logical argumentation followed by a public presentation and a defense of a developed thesis before a panel of educators.

Graduation Requirements

Covenant Academy's college preparatory curriculum uses a trimester system with seven class periods. Distinguished students graduate with a minimum requirement of 28 credits to achieve their diploma.

Theology	4 credits
Literature	4 credits
History	4 credits
Reasoning & Persuasion	1.5 credits
Mathematics	4 credits
Science	4 credits
Foreign Language	3 credits
Fine Arts	1.5 credit
Physical Training/Athletics	1 credit
<u>Elective</u>	<u>1 credit</u>
TOTAL	28 credits

Grading Scale

Letter Grade	Percent Grade	4.0 Scale
A+	97-100	4.0
A	93-96	4.0
A-	90-92	3.7
B+	87-89	3.3
B	83-86	3.0
B-	80-82	2.7
C+	77-79	2.3
C	73-76	2.0
C-	70-72	1.7
F	Below 70	0.0

Due to selective admissions and small class sizes, Covenant does not rank its students except for valedictorian and salutatorian for scholarship and Texas public school applications. An additional 0.3 GPA point is awarded to dual credit coursework completed in one college semester.

Class of 2023 8 students

Average GPA 3.587 **Top GPA** 3.984

2016-2022 SAT Average (40 students)

Reading	Math	Composite
618	599	1217

2016-2022 ACT Average (18 students)

28.2

2016-2021 NMSQT Recognition

5 National Merit Commended Scholars

2016-2022 College Acceptances (full list on website)

Austin Univ., Texas A&M Univ., Texas Christian Univ., Univ. of Alabama, Univ. of Arkansas, Univ. of Colorado-Denver, Univ. of Mary Hardin-Baylor, Univ. of Oklahoma, Univ. of Texas, Univ. of Utah.

High School Coursework

A few selected courses taken in Logic school are also part of the high school transcript and not included below.

9th Grade

Foundations of the Faith
Great Books I: Ancient Literature
History & Government: Ancient Civilizations
Logical Argumentation
Geometry or Algebra I
Biology
Latin III

10th Grade

Biblical Interpretation
Great Books II: Romans through Renaissance Literature
History & Government: Romans through Renaissance
Rhetoric I
Algebra II with Conic Sections or Geometry
Physics
Latin IV or Biblical Greek

11th Grade

Apologetics & Worldview
Great Books III: Reformation through 19th Century Literature
History & Government: Ideas that Shaped Modernity
Rhetoric II & Junior Thesis
Trigonometry & Quantitative Reasoning or Algebra II with
Conic Sections
Chemistry

12th Grade

Kingdom of God & Christian Living
Great Books IV: Great Books of Modernity (Literature)
History, Government, & Economics: Modern History
Seminar of Events, Economics, & Government
Rhetoric III & Senior Thesis
Dual Credit Option or Precalculus
Anatomy & Physiology or Physics II

Academic & Arts Electives

Advanced Drawing, Art, New Testament Greek, Concert Choir, Drama, Grand Tour, Independent Study Projects, Leadership, Mock Trial, Yearbook/Graphic Design, and/or dual credit offerings through partnerships with LeTourneau University, Grand Canyon University, or Dallas Baptist University.

Extracurricular Opportunities

The House System, Student Council, and the National Honors Society allow for opportunities to develop leadership and mentoring skills through planning and organizing events and serving in appointed and elected leadership roles.

Multiple team sports are offered each year. Students also have the option for off campus physical training to allow for athletic development beyond what the school offers in areas such as equestrian riding and pre-professional ballet training.

Students have also achieved acceptance and participated in summer athletic, academic and leadership programs at various universities.

rev. 07/26/2022

APPENDIX X – BEFORE & AFTER SCHOOL CARE

Covenant Academy offers a **Before and After School Care (BASC) Program** for currently enrolled students from Pre-K through 6th Grade. Hours of Operation: 7:00-7:45 a.m. and/or 3:45-6:30 p.m.

1. We will use the Pre-K classroom (closest to the office) as the home of our BASC program.
2. Students will be given time to play, rest, snack, work on homework and prepare for a successful school day both before and after school.
3. Food and/or snacks are included at no additional cost.
4. Students enrolled in BASC will be mentored by high school students under the supervision of Covenant faculty.

If you would like to sign up for one of the BASC plans below, please notify the school before the first day of class. The base fees for this service are as follows and will be billed to your FACTS account monthly by the 5th of each month.

This fee schedule will be prorated using the Daily rates listed below in partial months where the school is closed in August and for Thanksgiving, Christmas, and Spring Break.

BASC Plan	Plan Description	Monthly Tuition	15% Sibling Discount	1st Child	Sibling Discount
Plan 1	Full-time (7:00 a.m.-6:30 p.m.)	\$325	15%	\$325	\$276
Plan 2	Partial time (7:30 a.m.-5:30 p.m.)	\$225	15%	\$225	\$191
Plan 3	Before Care only (7:00-7:45 a.m.)	\$150	15%	\$150	\$128
Plan 4	Part-Time After Care only (3:30-5:30 p.m.)	\$225	15%	\$225	\$191
Plan 5	Full-Time After Care only (3:30-6:30 p.m.)	\$240	15%	\$240	\$204
Daily AM	As needed (before 7:45 a.m.)	\$10 daily	n/a	\$10	\$10
Daily PM	As needed (before 4:00 p.m.)	\$5 daily	n/a	\$5	\$5
Drop In	As needed (until 5:30 p.m.)	\$15 daily	n/a	\$15	\$15
Drop In	As needed (until 6:30 p.m.)	\$20 daily	n/a	\$20	\$20

The BASC program is available on an as needed basis at your convenience. If you arrive late to school at the end of a regularly scheduled school day, there is no need to call the school office. In partnership with you, your student will be taken care of as part of the BASC program until you arrive. *

**Note: There will be a small daily fee of \$5 for each student who stays past the pick-up time of 3:45 p.m., \$15 for each student who stays past the pick-up time of 4:00 p.m., and \$20 for each student who stays past 5:30 p.m.*
