*A Classical Christian School*

## OUR MISSION

*Covenant Academy exists to serve Christ and His Kingdom,  
by sharing the gospel and partnering with parents to train students  
by way of Scripture and the classical liberal arts.*

Dear Covenant Family,

Please forgive the late email. A COVID-19 situation at my son-in-law's place of business led to an unexpected period of isolation for our daughter and grand-daughter here at our house. Now that they are "moved in" for the time being, I wanted to reach out to you regarding how we will be operating. I know that you are all very concerned about the latest news of the local district closings. The impact on everyone emotionally, physically, and spiritually is significant. We are doing all that we can to make this unprecedented situation an academically rich time for your students.

At this point we will continue with the recommendations of the local health agencies who are informing the districts. **Regular classes at Covenant are cancelled through Friday, April 10.** Online classes will begin as soon as possible. Please let your homeroom teacher know if you do not have access to internet or a webcam in your home. Tomorrow we will be sending out a sign-up list online for each family to come and pick up their student's books and materials. More information on that will be forthcoming. May God bless you with His peace as you trust Him in this time.

Grace and peace,

Leslie Collins  
Head of School
