

OUR MISSION

*Covenant Academy exists to serve Christ and His Kingdom,
by sharing the gospel and partnering with parents to train students
by way of Scripture and the classical liberal arts.*

Dear Covenant Family,

As we continue to navigate how to provide instruction during this very fluid situation there is one thing that is certain: your students need their supplies, books, and other materials in order to make any instruction possible. We will be opening the campus for one family at a time to enter by appointment (see sign up genius link below). The doors will be open, and your family will be able to enter the campus and move about freely within their 20-minute window. We have 94 families who have varying ability to come to the campus. Please choose a time that works for you and consider those who are not able to work from home. They may need the earlier and later times.

[Here is the link to sign up for a time to pick up materials.](#)

- Please arrive and leave the campus promptly so that we can continue to actively slow the curve of COVID-19.
- One staff member will be on the campus to answer your questions but will keep an appropriate social distance.
- Grammar students' materials will be in their assigned room, on their desks. They may want to take more supplies from inside their desks as needed.
- Upper School students' materials will be in their locker and also in their homeroom on the tabletop with their name clearly labeled.
- The library will be open. Please self-check-out using the binder on the table. This is a great time to get lost in a book! We have over 7,000 books to choose from! Please consider one of our many age-appropriate classic novels or junior fiction.

We'll be in touch with further details. We're attending multiple trainings today so that we can provide the best possible classical and Christian instruction for your students in the coming weeks.

Grace and peace,

Leslie Collins
Head of School
