

#### OUR MISSION

*Covenant Academy exists to serve Christ and His Kingdom,  
by sharing the gospel and partnering with parents to train students  
by way of Scripture and the classical liberal arts.*

Dear Covenant Family,

First, thank you for your continued patience and support as we adjust our partnership to an online format. It's challenging for all of us. Your feedback, prayers, and encouragement are so helpful! We all long for the days where we can greet one another in the courtyard and students can once again enjoy learning in our beautiful classrooms. Unfortunately, we will have to wait a little longer for that time to come. **Covenant will comply with Governor Abbott's executive order for all schools to cancel on-campus classes until Friday, May 1.** We hope to resume classes on May 4. Let's pray for that as a community.

In the meantime, our teachers will continue to work diligently to help our students learn online. Our teachers are working so much harder and longer than usual to support you at home. But they are so happy to be doing this for you and with you. They are truly **all in and leaning in** to this COVID challenge! I'm so grateful for their hard, hard work and I know you are as well!

**A quick note about Graduation:** We want to celebrate our graduates as we have celebrated every graduating class. We're not sure how we'll do that at this time, but we are committed to celebrating these worthy students on their special day. We'll keep you informed.

**Need some ideas for home instruction?** Check out our new web page, [At-Home Resources](#). More ideas are on the way!

**Missing your Covenant community?** Subscribe to the Patriot Podcast to hear your friends and teachers share their thoughts on our time apart. **It's available in iTunes.**

Blessings on you and your family,

Leslie Collins  
Head of School
