

OUR MISSION

Covenant Academy exists to serve Christ and His Kingdom, by sharing the gospel and partnering with parents to train students by way of Scripture and the classical liberal arts.

Dear Covenant Family,

After 5 months of isolation, I'm ready to get back to school. Based on the feedback that you gave to the Task Force Call Team, you are too! Hopefully by now you've had an opportunity to read the Re-Opening Protocol and get some of your questions answered. If not, please don't hesitate to reach out to me or Nick Piatek (559-280-5178), leader of the Task Force Call Team.

Covenant's mission is a partnership. We're not simply providing a classical Christian education, we're partnering. Our COVID mitigation will naturally operate the same way. Both school and home will need to work together to follow health and safety guidelines if we want our school to remain open all year. We're all in agreement that online learning was not the best environment for students. We all want school to start safely. So, let's work together to achieve our goal by remaining ALL IN and LEANING IN as we move this mountain!

This year will be a very different year as you've come to expect. The learning curve is steep for all of us. With this in mind, the Re-Opening Task Force has designed an online training course (pictured below) to educate our community on our COVID protocols and procedures. Every Covenant parent is required to take this course in order for their student to attend on August 24th. It's completely free and enrollment is easy. <Email laurie.brooks@covenantcypress.org to request the link.>

Let us continue to pray together that God will strengthen us for the task ahead as we trust in Him to guide and protect us.

All In and Leaning In With You,

Leslie Collins
Head of School
