# Why partner with us?

At Covenant Academy, education is more than academics-it is the formation of the whole person. As a classical Christian school serving students from Pre-K through 12<sup>th</sup> grade, we are committed to cultivating wisdom, virtue, and a deep love for truth in the next generation.

But this work does not happen in isolation.

Our mission flourishes when families, educators, and local businesses unite in shared purpose. As a Covenant partner, your business becomes part of a meaningful and enduring effort to build up young men and women of character and conviction.

Your sponsorship directly supports a tradition of academic and spiritual excellence, strengthens the families we serve, and contributes to the cultural and economic health of our community. It also plays a vital role in preparing students to become thoughtful, responsible servant-leaders who will bless the world around them.

In return, your business receives intentional visibility and heartfelt appreciation from a school community known for its loyalty, integrity, and deep gratitude. Our families notice those who invest in what matters-and they respond by supporting those who stand with us.
